University of Illinois Bicycle Guidelines

OPERATION OF BICYCLES

Any bicycle that is operated or parked on campus **must** be registered with the Division of Campus Parking and must be operated at all times in accordance with the current *University Bicycle Code.* There is no fee for this registration. Bring the following items and information to the office at 505 East Green:

- Bicycle's serial number
- The type of bicycle (make, model, and color)
- Your social security number and a photo ID

A complete copy of the regulations can be obtained from the Division of Campus Parking. A partial list of the regulations follows.

- Bicycles on campus must be registered.
- Most current bicycle registration is for an indefinite period, and registration renewal is not required unless the registration sticker becomes unreadable or there is a change in ownership. Any bicycle displaying a registration sticker that has an expiration date must be reregistered. A replacement should be obtained from the Division of Campus Parking if a registration sticker becomes damaged.
- Each bicycle must be equipped with an audible warning device, brake, and lights.
- Every person operating a bicycle must do so in obedience to traffic control devices and rules of the road applicable to motor vehicles under Illinois state law and to regulations included in the *University Bicycle Code.*
- Bicycles should be ridden *only* on bicycle paths or—where there are no paths—on streets. They SHOULD NEVER be ridden on sidewalks.
- Whenever a bicycle crosses a pathway used for pedestrian travel, the operator of the bicycle must yield the right-of-way to pedestrians.

BICYCLE PARKING

Bicycles can be parked on campus only in an area that has a "Bicycle Parking Area" sign or that has bicycle racks. Lack of available space within a specific bicycle parking area is not a valid reason for violating this regulation.

Within any bicycle parking area, a bicycle must be parked in a manner that obstructs only one of the positions provided by the bicycle rack.

Within a bicycle parking area, parking that obstructs entrance or exit is prohibited.

No person should leave a bicycle unattended without first locking it securely to a bicycle rack.

IMPOUNDING BICYCLES

A bicycle can be impounded if it is parked in an unauthorized place or manner, if it is not properly registered, or if it appears to have been abandoned.

When a bicycle is impounded, notice is sent within fifteen days to its registered owner at the address given on the latest registration form on file with the Division of Campus Parking.

Any impounded bicycle that is not redeemed within thirty days after notice is considered abandoned and will be disposed of by the University.

FURTHER INFORMATION

This map was produced as an aid to bicyclists. The user must realize that potential hazards exist along the routes. The University of Illinois does not warranty the safety or fitness of the suggested routes and is not responsible for your safety. You are strongly encouraged to follow the safety laws as outlined in the *University Bicycle Code.*

SPRING SEMESTER 1994 TIMETABLE

THIS TIMETABLE FOR SPRING SEMESTER 1994 CONTAINS VALUABLE INFORMATION YOU NEED TO SELECT AND REQUEST YOUR DESIRED COURSES, COMPLETE YOUR REGISTRATION, AND OBTAIN AND PAY YOUR REGISTRATION CHARGES. SPECIFIC INFORMATION ON THESE AND OTHER TOPICS MAY BE FOUND IN THE FOLLOWING MAIN SECTIONS:

CALENDARS (pp. 3-4)
REGISTRATION FOR SPRING SEMEMSTER 1994 COURSES (pp. 5-8)
POSTREGISTRATION ACTIVITIES (pp. 8-9)
REGISTRATION CHARGES, PAYMENTS, AND REFUNDS (pp. 10-14)
TUITION AND FEE WAIVERS AND EXEMPTIONS (pp. 14-17)
NONCOMBINED FINAL EXAMINATION SCHEDULE (pp. 17-19)
STUDENT REGULATIONS (pp. 19-22)

You are responsible for the information contained in this *Timetable*. Careful reading and the following of instructions will make your spring registration as trouble-free as possible.

Even if your course requests are approved, keep this *Timetable*: in it you will find information useful throughout the semester, including the official calendar of deadlines for various requirements such as tuition payments; how to use the credit-no credit grading option; how to get a new or replacement ID card; how to add and drop courses; and so forth. If you are required to attend on-campus registration in January, at that time you can obtain a *Timetable Supplement* containing any course changes.

[The Office of Publications/Office of Public Affairs at the University of Illinois at Urbana-Champaign coordinated the compiling of information appearing in this *Timetable* and contracted for its publication.]

Students considering enrollment in military science, naval science, or Air Force Aerospace Studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. However, as of the date of printing of this publication, a Department of Defense directive prohibits homosexuals from receiving a commission in the United States Armed Forces.

NOTICE TO STUDENTS

The amended Family Educational Rights and Privacy Act of 1974 includes various provisions for the protection and privacy of students and parents. Among these provisions is the requirement that educational institutions permit currently enrolled students to suppress the release of those items that the institution has designated as public information. The University of Illinois at Urbana-Champaign defines as public information the following facts regarding each student:

- Name
- Addresses
- Telephone numbers
- College, curriculum, and major field of study
- Class level
- Date of birth
- Dates of attendance and full- or part-time status
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Weight and height, if an athletic team member
- Participation in officially recognized activities and sports
- Institutions previously attended

A student may suppress any or all items of public information from disclosure by filing the appropriate form before the sixth class day. For spring semester 1994, forms may be obtained and filed during the following times:

- Monday, January 10, and Tuesday, January 11, at Station 1A in the Armory during on-campus registration hours
- Wednesday, January 12, at Window 25, 100 Henry Administration Building, 9 am-4 pm
- Thursday, January 13, through Thursday, January 20, at either the Postregistration Service Center (Illini Union, Rooms B and C) during regular center hours, or at Window 25, 100 Henry Administration Building, 9 am-4 pm each weekday, excluding Martin Luther King Day, January 17

The deadline for filing the completed form is 4 pm Thursday, January 20. For complete information concerning record release and student access rights, refer to rules 60 through 68 in the August 1993 *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.*

NOTICE TO COMMENCEMENT PARTICIPANTS

Graduates participating in a campuswide Commencement ceremony (as well as most unit Convocation ceremonies) are required to wear appropriate academic attire. **Candidates from all colleges except Veterinary Medicine MUST be measured for caps and gowns in Room 407 of the Illini Union at any one of the following times:** (So that unforseen circumstances do not prevent you from getting a cap and gown, please plan to be measured at one of the earlier sessions.)

Monday, April 11	noon to 3:30 pm
Tuesday, April 12	10 am to 12:30 pm
Tuesday, April 19	noon to 3:30 pm
Wednesday, April 20	10 am to 12:30 pm
Thursday, April 21	2 pm to 6 pm
Wednesday, April 27	2 pm to 6 pm
Thursday, April 28	10 am to 4:30 pm
Friday, April 29	12:30 pm to 3:30 pm

You are strongly advised to order a cap and gown if there is even a slight possibility of participating in a graduation ceremony. Rental fees are assessed only if the attire is picked up during the cap and gown distribution period.

You MUST be measured for your cap and gown by April 29.

Guest tickets will be issued at the time of cap and gown measurement. Tickets are not required for participants.

Advance Enrollment

Regular on-campus registration for the 1994 spring semester will be held on January 10 and 11 in the Armory. However, almost all continuing students can take advantage of an advance enrollment period during the fall semester to request spring courses and to register by mail.

Through advance enrollment, eligible students request courses for the spring semester. Academic departments, within the limits of instructional resources, attempt to accommodate these requests. Advance enrollment is not mandatory, but by advance-enrolling, you enhance the possibility of getting the courses and sections you prefer. However, when advance-enrolling, remember that, although every attempt is made to honor your requests for specific courses and sections, the scheduling process is fashioned to produce the greatest number of acceptable schedules for the greatest number of advance-enrolled students.

Can I Advance-Enroll?

In general, students currently enrolled in degree programs can advance-enroll for spring semester 1994. However, if you are any of the following, you may not advance-enroll, but will have to attend on-campus registration:

- A part-time nondegree student
- A student graduating in January 1994, unless you are approved to pursue a graduate, professional, or second baccalaureate degree during the spring semester
- A student newly admitted or readmitted to a degree program: information regarding initial registration procedures will be included in your Notice of Admission

When Can I Advance-Enroll?

Advance enrollment for spring 1994 courses will be held from Wednesday, November 3, through Wednesday, November 10, 1993.

How Do I Advance-Enroll?

Advance enrollment begins with completion of a Program Request form. Continuing undergraduate and professional students obtain and complete this form and receive additional information about advance enrollment at their respective college offices, unless informed otherwise by either their department or college. Continuing graduate students obtain and complete the Program Request form at their respective departmental offices.

You cannot advance-enroll without using the Program Request form along with this *Timetable* and the program work sheets included on page 26. Use the work sheets to develop your proposed schedule, and transfer the final version to the Program Request form. Be sure to keep a copy of your course requests.

Because the Program Request form is used to request courses and sections, it should be completed in consultation with an adviser. If you are in a college that permits self-advising, submit the form in accordance with both the instructions given by the college and those given on the back of the form. Check the form carefully: a correctly completed Program Request form is essential for successful advance enrollment and registration by mail.

Are There Any Restrictions on Advance Enrollment Requests?

All course requests made during both advance enrollment and on-campus registration are accepted subject to enrollment conditions imposed by the offering departments. In addition, colleges and departments reserve the right to

- impose enrollment prerequisites;
- reassign students to other sections in a course;
- withdraw students from certain courses or sections after advance enrollment and/or on-campus registration; and
- cancel course offerings or sections for legitimate educational reasons, such as when minimum enrollment standards have not been met.

Conditions for course enrollment and other changes may be publicized in this *Timetable*, the *Timetable Supplement*, or other media available to the University, and at locations where students request sectioning approval from departmental representatives.

IN ORDER TO ADVANCE-ENROLL AND REGISTER BY MAIL FOR THE 1994 SPRING SEMESTER, YOU MUST SUBMIT A CORRECTLY COMPLETED PROGRAM REQUEST FORM AT YOUR COLLEGE OFFICE BY NO LATER THAN 5 PM WEDNESDAY, NOVEMBER 10, 1993. FAILURE TO DO SO WILL REQUIRE YOU TO ATTEND ON-CAMPUS REGISTRATION IN JANUARY.

Registration by Mail

Can I Register by Mail?

You may register by mail if you

- advance-enroll by submitting a properly completed Program Request form by the announced deadline, and
- are not encumbered for financial reasons as of 4 pm Friday, December 10, 1993, or
- are not encumbered for any other reason as of noon Tuesday, December 7, 1993.

When Will Registration Materials Be Mailed to Me?

Registration materials will be mailed to advance-enrolled students beginning Thursday, December 16, 1993. *If, even though advance-enrolled, you do not receive a Registration Agreement and other registration materials by mail, it is your responsibility to attend on-campus registration, obtain registration materials, and complete registration by depositing a signed Registration Agreement by the announced deadline.*

What Materials Will I Receive?

If you are not encumbered, you will receive

- your individual class schedule for the spring semester, and
- your individual Registration Agreement with your local, permanent home, and parent/guardian/spouse addresses.

If you are encumbered, you will receive

- your individual class schedule for the spring semester, and
- instructions about how to clear your encumbrance during on-campus registration, which you must attend.

Where Will These Materials Be Sent?

Registration-by-mail materials will be sent to the permanent home address you have provided either at a previous registration or on an Address Collection form mailed to all undergraduate and professional students beginning October 25, 1993; this form will be available to graduate students in their departmental offices beginning that same date. Erroneous addresses on the form should be corrected and the form returned immediately either in person at Window 25, 100 Henry Administration Building, or by campus or U.S. mail to Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801.

If you wish your registration-by-mail materials sent to an address within the United States different from the listed permanent home address, indicate that address on the Address Collection form.

Materials will be mailed to addresses in the United States, Canada, Mexico, Puerto Rico, Virgin Islands, and Guam. International students may either give an alternate address to which the materials should be sent or pick them up in 138 Henry Administration Building beginning Monday, January 3, 1994.

If, for any reason, your mailed registration materials are returned marked "undeliverable," they will be available in 138 Henry Administration Building beginning at 8 am Monday, January 3, 1994.

With the Address Collection form you will receive a Midsemester Study List showing the University's record of your 1993 fall semester enrollment. Check the list carefully and report any errors in either courses or credits to your college office. Course section errors should be reported to the department offering the course.

How Do I Complete Registration by Mail?

To complete registration by mail, you must return a signed Registration Agreement to the Office of Admissions and Records so that it is received no later than 5 pm Tuesday, January 11, 1994. If your signed agreement is not received by that time, your advance enrollment schedule will be canceled and you must participate in late registration, which means that you will have to begin the registration process all over again. The signed agreement may be returned by one of the following methods:

- By campus or U.S. mail to the address given on the agreement, allowing at least five days for delivery; or
- By depositing the agreement in the Armory during the January 10-11, 1994, on-campus registration period; or
- By depositing the agreement in 138 Henry Administration Building between 8 am and 5 pm any weekday (excluding holidays) between January 3 and January 11, 1994. **Do not use registration drop boxes to return your Registration Agreement;** those boxes are for return of your Registration Statement of Charges and Aid.

It is important that you correct any erroneous address information on your Registration Agreement and that you furnish a complete mailing address in the area identified as "Local Address": that address will be used to mail your Registration Statement of Charges and Aid (see p. 11). *Even though you may live at the address identified on the agreement as "Permanent Home Address," you still must furnish that same address in the "Local Address" area.* If you live in a private home, apartment, or rooming house, be certain your name is on your mailbox to ensure delivery by the local postal service.

If by January 11, 1994, you still do not know your local address for the spring semester, you may indicate your intention to pick up your statement in person at the Postregistration Service Center (see p. 8). **You are responsible for obtaining a statement and paying your registration charges on time whether or not you received a statement at your local address.**

Should I Return My Registration Agreement Promptly Even Though I Have to Make Schedule Changes?

Yes. Returning a signed Registration Agreement ensures that your requested schedule will be retained and that, beginning on the first day of classes, you will be entitled to most services and benefits available to fully registered students. After returning your signed agreement, you should plan to attend on-campus registration according to the alphabetical order of registration and make the required adjustments at that time. It is better to arrange any required changes **during** rather than after on-campus registration: many courses and sections will be filled during that period and thus closed to students requesting them after the beginning of instruction. Be sure to bring your preprinted class schedule to on-campus registration.

The Registration Agreement

The Registration Agreement is a legal document: by signing it you agree to certain conditions governing your enrollment at the University, including your obligation to pay all registration charges when due. Therefore, it is in your interest to read the agreement carefully so that you are aware of your rights and responsibilities. Furthermore, if your signed agreement is not received by the Office of Admissions and Records by 5 pm January 11, your advance enrollment course schedule will be canceled, and you will have to participate in late registration activities.

What If I Lose My Registration Agreement?

If you lose your Registration Agreement, go to the Armory during on-campus registration to obtain a duplicate. Remember, if you advance-enroll but do not return a **signed** Registration Agreement by 5 pm January 11, your class schedule will be canceled and you will have to attend late registration.

Answers to Registration Questions

A Registration Information Center will be open in 138 Henry Administration Building from 8 am to 5 pm each weekday (excluding holidays) from Monday, January 3, through Tuesday, January 11. If you have a question about registration, either go to the center in person or call (217) 333-0660 or 333-0661. You may deposit your signed Registration Agreement at the center until 5 pm January 11.

On-Campus Registration

On-campus registration for the 1994 spring semester will be held in the Armory on Monday, January 10, and Tuesday, January 11, 1994. If you attend on-campus registration, be sure to deposit a signed Registration Agreement before you leave the Armory.

Should I Attend On-Campus Registration?

You should attempt to complete your registration in the Armory if you are in any of the following categories:

- You did not advance-enroll.
- You advance-enrolled but need to make schedule changes.
- You advance-enrolled but either did not receive registration-by-mail materials or lost those that you received.
- You advance-enrolled but are encumbered.
- You advance-enrolled and received registration-by-mail materials, but choose not to return your Registration Agreement either by mail or in person at 138 Henry Administration Building.

If you advance-enroll, receive registration-by-mail materials with approval of all your course requests, and return your signed Registration Agreement either in person or by mail, you do not need

to go to the Armory during the on-campus registration period to complete your registration.

When Will I Be Admitted to the Armory?

You may enter the Armory through the south central doors at any time during the on-campus registration period. However, you will not be admitted to the Course Sectioning Area until the time listed below for your last name. To be admitted to the Course Sectioning Area, you must present either an Advance Enrollment Schedule or a Registration Agreement.

How to Proceed

Where Do I Obtain Registration Materials If I Did Not Advance-Enroll?

If you need to obtain registration materials before registering, find your college on the list below and proceed to that location.

AGRICULTURE	104 Mumford Hall
APPLIED LIFE STUDIES	108 George Huff Hall
AVIATION	Station 1A, Armory
BASIC MEDICAL SCIENCES AND CLINICAL MEDICINE	190 Medical Sciences Building
COMMERCE AND BUSINESS ADMINISTRATION	214 David Kinley Hall
COMMUNICATIONS	119 Gregory Hall
EDUCATION	120 Education Building
ENGINEERING	Engineering Document Table, Armory
FINE AND APPLIED ARTS	116 Architecture Building
GRADUATE COLLEGE	See your adviser
LAW	207 Law Building
LIBERAL ARTS AND SCIENCES	Northwest Entrance, Lincoln Hall
NURSING	408 South Goodwin Avenue
SOCIAL WORK	1207 West Oregon Street
VETERINARY MEDICINE	2271G Veterinary Medicine Basic Sciences Building

How Should Nonadvance-enrolled Students Proceed?

If you are a **graduate student**, follow these steps:

1. On or after January 3, but before proceeding to on-campus registration, complete a Program Request form and obtain your adviser's approval at your departmental office. NOTE: If you are encumbered, follow steps 2 through 4; if you are not encumbered, go directly to step 5.
2. Take the Program Request form to Station B, Document Distribution, in the Armory and obtain an Encumbrance Clearance form.
3. Obtain clearances and have them recorded on the clearance form.
4. Go to Station D in the Armory and exchange the Encumbrance Clearance form for a Registration Agreement.
5. Proceed to the Course Sectioning Area at the time indicated in the order of registration.

If you are an **undergraduate or professional student**, follow these steps:

1. At the proper time in the order of registration, proceed to your college location (given above).
2. If you are not encumbered, you will receive a Program Request form, a Registration Agreement, and instructions about meeting with advisers and completing on-campus registration.
3. If you are encumbered, you will receive a college authorization card. Proceed according to steps 4 through 7.
4. Take the card to Station B, Document Distribution, in the Armory and obtain an Encumbrance Clearance form.
5. Obtain all clearances and have them recorded on the form.
6. Go to Station D in the Armory and exchange the Encumbrance Clearance form for a Registration Agreement.
7. Proceed to the Course Sectioning Area.

How Do Unencumbered Advance-Enrolled Students Make Schedule Changes?

1. Prior to taking any action, return your signed Registration Agreement.
2. If you want to add or drop a course or to change credit for a course in which you are enrolled, follow step 3, 4, or 5; if you want to change a section, follow step 6 only.
3. If you are a graduate student
   - go to your major departmental office,
   - complete a Change of Program form,
   - have it signed by your adviser, and
   - take the form to the appropriate clerk in the Course Sectioning Area in the Armory.
4. If you are in Commerce and Business Administration, Nursing, Veterinary Medicine, Law, or Medical Sciences
   - go to your college of enrollment,
   - complete a Change of Program form,
   - obtain an adviser's signature, if required, and
   - take the form to the appropriate clerk in the Course Sectioning Area in the Armory.
5. If you do not fit into the categories for either step 3 or step 4
   - go to your college adviser in the Course Sectioning Area of the Armory,
   - obtain and complete a Change of Program form, and
   - if required, have an adviser approve your requested change(s).
6. If you want only to change a section, go to the appropriate sectioning table in the Armory and obtain a Change of Section form; no adviser or college approval is required. Proceed to the Course Sectioning Area.

How Do Encumbered Advance-Enrolled Students Proceed?

1. Proceed to Station B, Document Distribution, in the Armory and obtain an Encumbrance Clearance form.
2. Follow the instructions on the form and obtain the necessary clearances.
3. Exchange the clearance form for a Registration Agreement at Station D.
4. If you need to make any schedule changes, follow the appropriate procedures for unencumbered students.

The Course Sectioning Area

Most course transactions occur in this area during on-campus registration. You will be admitted to this area of the Armory at or after the time indicated in the order of registration IF you can present either an Advance Enrollment Schedule or a Registration Agreement.

The chart indicates the forms you will need to complete various course transactions in the sectioning area.

Action Desired	Form(s) Required
If you advance-enrolled:	
Program change (add or drop courses or change credit)	Advance Enrollment Schedule Change of Program form approved by an adviser, if required by your college
Section change	Advance Enrollment Schedule Completed Change of Section form
If you did not advance-enroll:	
Program request approval	Registration Agreement Program Request form approved by an adviser, if required by your college

Most course transactions can be completed by a representative of the department offering the course. If a space is available, the representative will enter the required approval on the Program Request, Change of Program, or Change of Section form.

If, on any of the required forms used during on-campus registration, you fail to include COMPLETE WRITTEN INFORMATION that clearly identifies the course(s) and/or section(s) in which you wish to enroll, you will forfeit departmental approval(s). Consequently, you will have to compete with others who wish to add those courses and/or change sections after instruction begins.

Make Sure Your Registration Agreement Is Complete!

Follow this checklist to guard against future problems:

1. **Sign the Registration Agreement.** Remember, your signature constitutes your agreement to pay all registration charges when due (see p. 11).
2. **Be sure to furnish a complete mailing address in the area identified as "Local Address":** that address will be used to mail your Registration Statement of Charges and Aid (see p. 11). *Even though you may live at the address identified on the agreement as "Permanent Home Address," you still must furnish that same address in the "Local Address" area.* If you live in a private home, apartment, or rooming house, be certain your name is on your mailbox to ensure delivery by the local postal service. If by January 11, 1994, you still do not know your local address for the spring semester, you may indicate your intention to pick up your statement in person at the Postregistration Service Center (see below). **YOU ARE RESPONSIBLE FOR OBTAINING A STATEMENT AND PAYING YOUR REGISTRATION CHARGES ON TIME WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS.**
3. **Deposit your completed signed Registration Agreement before leaving the Armory.** Receipt of the agreement by 5 pm January 11 enrolls you in the courses listed on either the Advance Enrollment schedule or the completed and approved Program Request form, subject to the policy on course enrollment given elsewhere in this *Timetable*.

Other Services Available to You at On-Campus Registration

Stations are provided in the Armory for you to

- make encumbrance payments and clear most encumbrances;
- change insurance coverage;
- purchase dependent insurance coverage;
- suppress the release of directory information about yourself; and
- obtain information about tuition, fees, and financial aid.

During on-campus registration, new or replacement ID cards are available at the Campus ID Center, 129 (North) Illini Union. The ID Center is open weekdays from 9 am to 5 pm.

POSTREGISTRATION ACTIVITIES

Important Dates (p. 8)
Postregistration Service Center (p. 8)
Late Registration (p. 9)
Registration of Part-time Nondegree Students (p. 9)
Registration of Visitors (p. 9)

Important Dates

Jan 13, 9 am	Postregistration Service Center opens
Jan 13, 9 am-Jan 28, noon	Late registration in Service Center
Jan 13 and thereafter	Registration of visitors at Window 25, 100 Henry Administration Building
Jan 19-20, 4:30 pm	Registration of part-time undergraduate nondegree students
Jan 19-28, noon	Registration of part-time graduate nondegree students
Jan 31 and thereafter	Late registration at Window 25, 100 Henry Administration Building

Postregistration Service Center

To help you to register after on-campus registration, to resolve registration problems, and to provide assistance in other matters related to registration, a Postregistration Service Center will be open in the Illini Union, Rooms B and C, on the following dates:

Jan 13-14	9 am - 4:30 pm
Jan 18-21	9 am - 4:30 pm
Jan 24-27	9 am - 4:30 pm
Jan 28	9 am - noon

The center will be closed on weekends and on Monday, January 17, the observance of Dr. Martin Luther King, Jr.'s birthday.

What Can the Service Center Do for Me?

Personnel will be available at the Service Center to

- assist you in the late-registration process, except for those course transactions that are processed in college or departmental offices;
- answer your questions concerning fee assessment and graduate or fellowship appointments;
- answer your questions about financial aid;
- answer your questions concerning your residency status;
- handle your request for health insurance exemption and/or dependent coverage;
- provide forms for the suppression of directory information about yourself (January 13-14 and 18-20 only);
- give you the Registration Statement of Charges and Aid that you asked to be held for you rather than mailed; and
- adjust any errors on your Registration Statement of Charges and Aid.

During postregistration, new or replacement ID cards are available at the Campus ID Center, 129 (North) Illini Union. The ID Center is open weekdays from 9 am to 5 pm; it will be closed weekends and on Monday, January 17.

Late Registration

Late registration will be conducted in the Postregistration Service Center, Illini Union, Rooms B and C, during regular Service Center hours from Thursday, January 13, until noon Friday, January 28. Late registration will then resume at 9 am Monday, January 31, at Window 25, 100 Henry Administration Building. **YOU WILL NOT BE PERMITTED TO REGISTER ON THE AFTERNOON OF FRIDAY, JANUARY 28.**

To begin late registration, you must go to one of the following locations for registration materials:

- If you are a **graduate student**, go to the office of your department of enrollment, obtain a Program Request form, secure clearances from the departments offering your requested courses, and from the Graduate College (B-3 North Coble Hall); bring all materials to the Postregistration Service Center by noon Friday, January 28, or, thereafter, to Window 25, 100 Henry Administration Building.
- If you are a **nonadvance-enrolled undergraduate or professional student**, go to the office of your college of enrollment, obtain a Program Request form and a Registration Agreement, secure clearances from the departments offering your requested courses and, when required, from your adviser, and bring all materials to the Postregistration Service Center by noon Friday, January 28, or, thereafter, to Window 25, 100 Henry Administration Building.
- If you are an **advance-enrolled undergraduate or professional student who failed to file a signed Registration Agreement by the deadline**, go to your college of enrollment, obtain a Program Request form, and obtain clearances from the departments offering your desired courses and, when required, from your adviser. Then, go to the Postregistration Service Center by noon Friday, January 28: if you miss that deadline, go to Window 25, 100 Henry Administration Building beginning 9 am Monday, January 31.

SPECIAL NOTICE: Undergraduate students may register after the fifth day of instruction (January 20) only with the written consent of their college dean.

Is There a Penalty for Registering Late?

If you register late by submitting a signed Registration Agreement after 5 pm Tuesday, January 11, you will be assessed a late registration fine of $15 (amount subject to change) unless

- you are a part-time nondegree student (see below), or
- you are registering as a visitor (see below).

The late registration fine may be waived upon approval of a petition demonstrating exceptional circumstances such as serious illness or death in the immediate family, activities here or elsewhere during the registration period that benefited your academic program, or circumstances beyond your control. The petition form is available at the Postregistration Service Center during regular Service Center hours and, beginning January 31, at Window 25, 100 Henry Administration Building.

Part-time Nondegree Student Registration

When Do Part-time Nondegree Students Register?

If you are an undergraduate part-time nondegree student, you must complete registration on January 19 or 20. If you are a graduate or professional part-time nondegree student, you may register between January 19 and noon January 28.

Part-time nondegree students who register on these dates will not be charged the late registration fine.

Full-time nondegree students are reminded that, because they have full advance enrollment and registration privileges, they are subject to the same registration rules that apply to degree candidates, including the late registration fine.

How Do Part-time Nondegree Students Register?

Undergraduate and professional students: Obtain registration materials at your college office, obtain all required approvals, and bring all documents to the Postregistration Service Center.

Graduate students: Obtain a Program Request form from your adviser in your major department of enrollment, bring it to B3 North Coble Hall and receive your Registration Agreement, then take all materials to the Postregistration Service Center.

University staff employees must have the additional written approval of the director of the campus Personnel Services Office and should telephone 333-2142 for information.

Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

How Do I Register as a Visitor?

In all cases, written approval is required on an official Visitor's Permit available either at Window 25, 100 Henry Administration Building, or at your college office. After obtaining the form, proceed according to one of the following conditions:

- If you are a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.
- If you are a former student not currently registered: Obtain the approval of the dean of the college in which you were last registered.
- If you have not been previously registered at the University: Obtain the approval of the dean of the college in which the course is offered.

If you are a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work and the approval of the director of the campus Personnel Services Office on the Course Enrollment form.

After obtaining all required approvals on the Visitor's Permit form, bring the form to Window 25, 100 Henry Administration Building, to complete registration.

How Much Will It Cost to Be a Visitor?

Charges (amount subject to change) for attending a class as a visitor are determined by the criteria given immediately below.

Status	Charge
Students currently registered in Tuition and Fee Schedule Range I (see p. 10); and students holding scholarships, tuition waivers, or staff appointments that exempt them from tuition	No charge
Persons with scholarships that are specifically limited by law to courses for residence credit only	$15 for each course attended as a visitor
Persons not otherwise currently registered; and students registered in Tuition and Fee Schedule Ranges II, III, and IV (see p. 10)	$15 for each course attended as a visitor

If you are sixty-five years of age or older, the visitor's fee will be waived when you present proof of age at Window 25, 100 Henry Administration Building.

See the section on refunds for information regarding refunds of the fee charged visitors (p. 14).

Tuition and Fee Assessments

How Is Tuition Determined?

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and curriculum of enrollment, your residency classification, and your credit range.

College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. Among undergraduates, there is a further differential between students in the lower division (0-59.9 semester hours) and the upper division (60 semester hours or more). Undergraduate nondegree students are assessed at the upper-division rate. All students enrolled in engineering, chemical and life sciences, and art, music, and architecture curricula are assessed a tuition surcharge. No distinction is made between resident and nonresident students who are enrolled in Credit Range IV (zero credit only).

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates.

Information about tuition rates for students in study-abroad, Executive MBA, and other special-cost programs may be obtained at Window 25, 100 Henry Administration Building, or by calling (217) 333-0210.

Residence Classification

A second factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information you provide on your admission application and other credentials.

To request a change in your residency classification, obtain a petition at either the Postregistration Service Center or Window 25, 100 Henry Administration Building. You must submit the petition within twenty days of either the first day of instruction or the day you register, whichever is later. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the spring semester. Telephone (217) 333-0210 for additional information.

Credit Ranges for Assessment Purposes

Credit for undergraduate and professional course work is counted in semester hours; credit for graduate course work is counted in units. (For tuition and fee assessment purposes, 1 graduate unit is the equivalent of 4 semester hours.) Your credit range is determined by the total number of semester hours and/or graduate units for which you are registered.

The semester credit ranges approved by the University Board of Trustees are

Range I	12 semester hours and above 3 units and above
Range II	Above 5, under 12 semester hours Above 1.25, under 3 units
Range III	Above 0 through 5 semester hours Above 0 through 1.25 units
Range IV	Zero credit only

Fees

What Fees Are Charged and How Are They Determined?

The fee schedule is fixed by the University Board of Trustees and is calculated on the basis of the number of semester hours or units of credit for which you are registered. Fees to be assessed this semester are

- **General Fee**: Supports certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, etc.) on campus.
- **Service Fee**: Supports salaries, programming, general expenses, and utilities for campus auxiliary service units such as the Illini Union, the Assembly Hall, and Campus Recreation. *(Students exempt from this fee because they are registered in Credit Ranges III or IV may obtain the services by paying the spring semester fee at a cashier's window in 100 Henry Administration Building by no later than 4 pm Friday, February 11, 1994.)*
- **Health Service Fee:** Provides salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center. *(Students exempt from this fee because they are enrolled in Credit Ranges III or IV may obtain the services by paying the spring semester fee at the McKinley Health Center Business Office by no later than 5 pm Friday, February 11, 1994.)*
- **Health Insurance Fee:** Covers the cost of premiums to the insurance carrier and the cost of administering the program.
- **Transportation Fee:** Supports a campus and community busing plan for students. *(Students exempt from this fee because they are enrolled in Credit Ranges III or IV may obtain the services by paying the spring semester fee at the Division of Campus Parking by no later than 5 pm Friday, February 11, 1994.)*
- **Krannert Fee:** Refundable; supports productions at the Krannert Center for the Performing Arts. (See p. 14 for refund dates.) *(Students exempt from this fee because they are registered in Credit Ranges III or IV may obtain the services by paying the spring semester fee at a cashier's window in 100 Henry Administration Building by no later than 5 pm Friday, February 11, 1994.)*
- **SEAL Fee**: Refundable; assessed students registered on campus to supplement existing financial aid for needy students. (See p. 14 for refund dates.)
- **SORF**: Refundable; supports the Student Legal Service and assists in funding programs and/or services of registered student organizations. (See p. 14 for refund dates.)
- **SGA Fee**: Supports the activities of the Student Government Association.

Students exempt from SEAL, SORF, and SGA fees because they are registered in Credit Ranges III or IV may participate in them by paying a $10 spring semester fee at a cashier's window in 100 Henry Administration Building by no later than 4 pm Friday, February 11, 1994. The charge will cover all three fees which may not be purchased separately.

- **Instructional Fee**: Assessed students in the MBA curriculum to expand and enhance the program.
- **Flight Training Fee:** Charged each student enrolled in flight training courses in addition to regular tuition and fee registration charges; based on the nature of each course.

Tuition and Fees Billings and Payments

Important Dates

Jan 28, noon	Payment deadline if registered by January 21
Jan 31, 4 pm	Payment deadline if registered between January 24 and 28
Jan 31 and thereafter	Payment deadline is 4 pm on day of registration

How Much Will I Be Assessed?

To determine your anticipated tuition and fee costs for the semester, match your college and curriculum of enrollment, residency status, and credit range with the dollar amounts given on the chart on page 12. Some students are not liable for all charges, so be sure to read the sections on tuition and fee waivers and exemptions beginning on page 14.

When Will I Be Billed for Registration Charges?

Billings and payments for all registration charges, plus charges for University-operated housing, occur after the on-campus registration period. Billing is done on a Registration Statement of Charges and Aid which itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made.

The availability of statements and the payment deadline dates are determined by when you register.

If you submit a signed Registration Agreement, clear all encumbrances, and are in good academic standing by the close of on-campus registration January 11, your Registration Statement of Charges and Aid will be mailed to your local address around January 18. Payment will be due by noon Friday, January 28. If your statement does not arrive by January 21, go to the Postregistration Service Center and request a duplicate. IT IS YOUR RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY YOUR REGISTRATION CHARGES BY THE DUE DATE WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS. You may make payment either by U.S. mail, in registration drop boxes, or in person at 100 Henry Administration Building.

If you register at the Postregistration Service Center between January 13 and January 21, you must pick up your statement at the Postregistration Service Center beginning Monday, January 24. Payment will be due at noon Friday, January 28. You may make payment either by U.S. mail, in registration drop boxes, or in person at 100 Henry Administration Building.

If you register at the Postregistration Service Center between Monday, January 24, and noon Friday, January 28, you must pick up your statement in the east foyer of the Henry Administration Building on Monday, January 31, and make payment at a cashier's window in 100 Henry Administration Building by 4 pm on that same day.

If you register Monday, January 31, or any day thereafter, you must make payment by 4 pm on the day of registration at a cashier's window in 100 Henry Administration Building.

Where Can I Make Payment?

If your payment deadline is noon Friday, January 28, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

Special registration drop boxes for payment of registration charges will be available until noon Friday, January 28, at the following locations:

- Florida Avenue Residence Halls—main entrance to Trelease Hall
- Gregory Drive Snack Bar—south entrance
- Henry Administration Building—east and west entrances
- Main Library—central corridor
- Illini Union—southwest entrance

Can I Pay by Installment?

An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. This privilege is not extended to registration in extramural, correspondence, and summer Term I courses, or to students to whom the privilege has been denied.

Charges for the semester are collected in three installments; the first payable by the due date shown on the original statement, and the remaining installments payable in each of the two following months.

A one-time finance charge of 1 percent of the total amount deferred, or $2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

Some Dos and Don'ts about Payments

DO use the special registration drop boxes to return your payment.
DON'T use campus mail boxes to return your payment.
DON'T use the drop boxes to return your Registration Agreement.
DO allow five days for delivery if you remit by U.S. mail.
DON'T send cash either through the mail or via the drop boxes.
DO pay at a cashier's window in 100 Henry Administration Building if you must pay in cash.

What If I Don't Make Payment by the Due Date?

The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, you will be assessed a $25 (amount subject to change) registration late payment charge that will be billed to your student account.

A delinquent service charge of 1.5 percent or $2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

Special Warnings about Payments

A penalty of $15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiering because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

Additional penalties, INCLUDING DISMISSAL FROM THE UNIVERSITY, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

Refunds

You may be released from your obligation to pay part or all of spring semester tuition and fees by either

- canceling your registration, or
- withdrawing from the University, or
- reducing your program range.

In addition, you may file for refund of certain fees (see p. 14).

Canceling Your Registration

Before classes begin, you may cancel your registration and be relieved of all tuition and fee charges by either

- not returning a signed Registration Agreement by 5 pm Tuesday, January 11, 1994, or
- if you returned a signed Registration Agreement, submitting a request for cancellation of registration to the Office of Admissions and Records for receipt no later than 5 pm Tuesday, January 11, 1994. Requests by mail should be addressed to the Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801. Requests in person should be made at Window 25, 100 Henry Administration Building, by 4 pm Tuesday, January 11, 1994.

You can still cancel your registration between the close of on-campus registration and 4 pm Thursday, January 13, the first day of instruction for the semester, provided

- you have neither attended any classes nor received any related student services, and
- you deposit a completed clearance form at Window 25, 100 Henry Administration Building, by 4 pm Thursday, January 13. The clearance form should be obtained from the office of the dean of your college.

If you cancel your registration, you still may receive a Registration Statement of Charges and Aid. If so, you are not relieved of the obligation to pay tuition and fees until you return your permanent ID card. The ID card must be returned immediately to the Registration Services Office, Window 25, 100 Henry Administration Building, or by mail addressed to Office of Admissions and Records, Registration Services Office, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801.

IF YOU EITHER ATTEND A CLASS OR USE CAMPUS SERVICES AND THEN WISH TO LEAVE THE UNIVERSITY, YOU MUST OFFICIALLY WITHDRAW.

Withdrawal from the University

TO WITHDRAW, YOU MUST FOLLOW ESTABLISHED WITHDRAWAL PROCEDURES BEGINNING WITH COMPLETION OF A CLEARANCE FORM AVAILABLE FROM THE OFFICE OF THE DEAN OF YOUR COLLEGE.

Withdrawal from the University: All Students Except First Time Freshmen Receiving Federal Financial Assistance

To obtain a partial refund of spring semester registration charges, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, no later than 4 pm Friday, January 28. No refund is available thereafter.[1]

If you are enrolled in a second half-term course only and wish to withdraw, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, no later than 4 pm Wednesday, March 23. No refund is available thereafter.[1]

If you officially withdraw within a refund period, you will be charged either the sum (rounded, if necessary, to the next even, higher dollar) of

- 50 percent of the Service Fee, plus
- 50 percent of the General Fee, plus
- 100 percent of the Transportation Fee, plus
- 100 percent of the Health Service Fee, plus
- 100 percent of the Health Insurance Fee,

or

- $30,

whichever is greater.

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if these fees were paid) until the first day of on-campus registration for the 1994 eight-week summer Term II. Use of intramural-physical education facilities and the bus services provided by payment of the Service and Transportation Fees is also permitted. If you are exempt from any of the above fees, the nonrefundable charge will be reduced by the proper amount.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University after the refund deadline of 4 pm Friday, January 28 (4 pm Wednesday, March 23, if enrolled in a second half-session course only), you are liable for the full amount of tuition and fees originally assessed.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

Withdrawal from the University: First Time Freshmen Receiving Federal Financial Assistance (Contact the Registration Services Office to determine eligibility.)

To obtain a refund commensurate with the date of withdrawal of spring semester tuition, Service Fee, General Fee, and Transportation Fee registration charges, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building. See below for the refund schedule. Students indebted to the University at the time of withdrawal will have the amount owed deducted from the amount of any refund available. Withdrawing students will not receive refunds of the Student Insurance, Student Health Service, Krannert, SEAL, SORF, and SGA fees, and will be eligible to receive the benefits of these fees through the end of the semester. Likewise exempt are additional fees charged for courses where students have received tangible items for the course.

If you are enrolled in a second-half-session course only and wish to withdraw, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, in accord with the refund schedule.[1]

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University after the final refund deadline, you are liable for the full amount of tuition and fees originally assessed.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

Withdrawal Refund Schedule: First Time Freshmen Receiving Federal Financial Assistance

If you have been charged tuition and fees for the spring semester and, for reasons other than active military or other approved national defense service, officially withdraw from the University, you are entitled to a prorated refund of tuition, Service Fee, General Fee, and Transportation Fee charges, based on the week of the semester during which you withdraw.

1. Students officially withdrawing before completion of Week 2 in the semester (4 pm January 26) receive a 100% refund of tuition and applicable fee charges.
2. Students officially withdrawing before completion of Week 3 in the semester (4 pm February 2) receive an 80% refund of tuition and applicable fee charges.
3. Students officially withdrawing before completion of Week 4 in the semester (4 pm February 9) receive a 70% refund of tuition and applicable fee charges.
4. Students officially withdrawing before completion of Week 6 in the semester (4 pm February 23) receive a 60% refund of tuition and

applicable fee charges.

5. Students officially withdrawing before completion of Week 8 in the semester (4 pm March 9) receive a 50% refund of tuition and applicable fee charges.
6. Students officially withdrawing before completion of Week 10 in the semester (4 pm March 23) receive a 40% refund of tuition and applicable fee charges.
7. Students who either fail to withdraw officially or who withdraw following completion of Week 10 in a semester are responsible for payment of all tuition and fee charges billed.

For University academic terms of other lengths, refund periods are determined proportionally in accordance with the above principles.

Refunds for Reduction of Program Range: All Students

If you reduce your registration to a lower assessment range (e.g., from Range I to Range II), you receive a refund of the full difference between the two ranges, provided the change is made by the announced deadline of 5 pm Friday, January 28. No refund is available thereafter.[1]

If you reduce your registration to a lower assessment range (e.g., from Range I to Range II) by dropping a second-half-session course only, you receive a refund of the full difference between the two ranges, provided the change is made by the announced deadline of 5 pm Wednesday, March 23. No refund is available thereafter.[1]

In all cases, a student who is enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline: see page 13.

Refund of Visitor Charges

A person registered as a visitor (see p. 9) who desires to withdraw receives a full refund of the visitor's fee, if originally charged, provided he or she makes a personal request for a refund at Window 25, 100 Henry Administration Building, within the official semester refund period. No refund is available thereafter.[1]

Refunds of Special Fees: All Students

Flight Training Fee. If you withdraw from a flight-training course by 4 pm Friday, January 28, you receive a full refund of the flight-training fee for that course. No refund is available thereafter.[1]

Krannert Fee. Refund of this fee is available at the Office of Student Accounts and Cashiering, 100 Henry Administration Building, from Monday, February 7, through 4 pm Friday, February 11. No refund is available thereafter.[1]

SORF. Refund of this fee is available at the Office of Student Accounts and Cashiering, 100 Henry Administration Building, from Monday, February 14, through 4 pm Friday, February 25. No refund is available thereafter.[1]

SEAL Fee. Refund of this fee is available at the Office of Student Accounts and Cashiering, 100 Henry Administration Building, from Monday, February 28, through 4 pm Thursday, March 10. No refund is available thereafter.[1]

[1] In a case of extenuating circumstances, such as medically documented serious illness or injury, an exception to the refund period may be made by the Director of Admissions and Records, acting on a petition submitted by a student. Petition forms are available at Window 25, 100 Henry Administration Building.

Tuition and Fee Waivers and Exemptions

What Is the Difference between a Waiver and an Exemption?

If you receive a **waiver**, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are **exempt** from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Ranges III or IV, you may obtain the benefits of the service provided by making an individual arrangement with the service provider (see p. 10).

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs.

If you believe that you qualify for any of these waivers or exemptions, consult the staff at the Registration Services Office, Window 25, 100 Henry Administration Building.

For the purpose of this section, the four employment categories at this campus are defined as follows:

- *Faculty* members include (1) those in the professorial ranks (i.e., professor, associate professor, assistant professor); (2) instructors and lecturers; and (3) teaching, research, and clinical associates. Various prefixes may be used in conjunction with these ranks, such as adjunct, clinical, visiting, or research.
- *Academic professionals* are those employees whose positions have been designated by the president and the chancellor as meeting specialized administrative, professional, or technical needs. Academic professional employees receive an academic contract issued by the Board of Trustees for a term appointment. They are accorded the rights and privileges pertaining to other academic personnel except those that apply specifically to academic employees with faculty rank, such as eligibility for tenure.
- *Graduate student assistants* include teaching, research, and clinical assistants.
- *Staff employees* are those members of the University work force subject to the rules of the State Universities Civil Service System.

Tuition Waivers

Tuition will be waived if you are

1. a faculty or academic professional employee (not a graduate assistant) of the University on appointment for at least 25 percent of full-time service, provided your appointment requires service for not less than three-fourths of a term. This waiver also applies if you are an employee of a certain specifically identified related agency whose position is considered equivalent to an academic position of the University. (A *term* is defined as running from the first day of registration through the last day of final examinations. *Three-fourths of a term* is defined as ninety-one days during a semester.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the registration date.
2. a graduate teaching and research assistant of the University on appointment for at least 25 percent but not more than 67 percent of full-time service. Your appointment must require service for not less than three-fourths of the term as defined above. If you are on appointment for 68 percent or more of full-time service, you pay tuition at the resident rate and are eligible for waiver of the service fee only. *(Caution: Assistantship appointments are cumulative: for example, if you hold a 25-percent and a 50-percent assistantship appointment, you are ineligible for a tuition waiver.)* NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the registration date.
3. a University of Illinois faculty, academic professional, or staff retiree.
4. a holder of a tuition waiver scholarship.
5. a holder of a graduate tuition and fee waiver awarded by the Graduate College.
6. a foreign exchange student with a tuition waiver as part of the exchange contract
7. a holder of a grant or contract from an outside sponsor that provides payments to cover the total cost of instruction.

8. a cooperating teacher or administrator who receives assignment of practice teachers, or who receives assignment of students meeting the clinical experience requirement in teaching education curricula, or who cooperates in research projects related to teacher education. Waiver for one semester, quarter, or summer session is granted for each semester, quarter, or equivalent of service you render within two consecutive semesters. The waiver shall apply to the semester, quarter, or summer session of registration, as designated by you, that is concurrent with, or following, the term of service, but must be applied no later than one calendar year from the end of the term of service. Concurrent registration on more than one campus of the University or in University extramural courses constitutes one semester, quarter, or session of eligibility for a waiver.

   A similar waiver is authorized for cooperating librarians, school-nurse teachers, social welfare field supervisors, recreation field supervisors, health education field supervisors, speech pathology supervisors, developmental child care field supervisors, educational psychology supervisors, continuing education supervisors, industrial relations field supervisors, and physicians who participate without salary in the instructional program of the University of Illinois College of Medicine at Urbana-Champaign. *(Caution: Acceptance of more than one assignment from any of the above listed offices during any single term will generate only one waiver.)*
9. a staff employee of the University, or of another institution or agency under the University Civil Service System, or of a certain specifically identified related agency in status appointment or in an appointment designed to qualify for status in an established class (e.g., trainee or intern) for at least 50 percent of full-time service and who registers in regular University courses not to exceed
   - 6 credit hours or two courses in a semester or quarter if on full-time appointment,
   - 4 credit hours if on a 75-percent to 99-percent time appointment, or
   - 3 credit hours if on a 50-percent to 74-percent time appointment,

   provided that you (1) meet conditions and eligibility for admission as prescribed by the Office of Admissions and Records; (2) are not a student as defined under 250.70f3 in the *Civil Service Handbook*; and (3) have the approval of your employing department for enrollment and a makeup schedule to cover any time in course attendance during your regular work schedule. (The waiver of tuition also applies to any additional hours of registration by staff employees that keep them within the same fee assessment credit range. Staff employees whose total registration is in a higher range than that authorized by their tuition waiver pay only the difference between the waiver authorization and the higher range in which their total registration places them.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the registration date.
10. a staff employee in status, learner, trainee, apprentice, or provisional appointments if enrolled in regular courses directly related to your University employment for no more than 10 credit hours per semester, provided you have made application and received prior approval for enrollment as required by procedures issued by the director of Personnel Services and set forth in *Policy and Rules-Staff*.
11. an Illinois Teacher of the Year award recipient.
12. an eligible Illinois senior citizen. (Persons wanting information and/or the application form for this waiver should contact the Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign, IL 61820, (217) 333-0100.)

Partial Tuition Waiver Program for Children of Eligible Employees

If certain eligibility criteria are met, Illinois Public Act 87-0793 (SB 1353) provides a 50 percent tuition waiver for undergraduate education for children of University employees to attend either University campus. Pending final Board of Trustee approval of rules applicable to these waivers, interim regulations have been formulated and are summarized as follows. Finalized rules and regulations will be available at the offices listed in item 7 below.

1. The waiver can be used only for undergraduate education.
2. The waiver shall cover 50 percent of tuition, not fees.
3. The waiver may be used for four years (including summers), as long as satisfactory academic progress is maintained.
4. The parent must be a regular employee of the University of Illinois with at least seven years of service on the first day of instruction of the term for which the waiver is requested, and be one whose appointment qualifies for employer-provided insurance benefits. Excluded as "parent" are annuitants, employees of University-related organizations (i.e., Foundation and Alumni Association), Civil Service temporary and extra help, graduate and undergraduate assistants, and academic hourly and student employees.
5. The child must be under 25 years of age and the child of the eligible employee by blood or adoption, or the legal child of the employee's current spouse, or a child under the court-appointed guardianship of the eligible employee.
6. The child must qualify for admission under the same requirements, standards, and policies applicable to general applications.
7. To apply for the waiver, the employee or child must obtain an eligibility form available at one of the following offices:
   - Office of Admissions and Records, Window 25, 100 Henry Administration Building, 506 South Wright Street, Urbana
   - Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign
   - Benefits Center, Suite 201, 505 East Green Street, Champaign
   - Personnel Services Office, 52 East Gregory Drive, Champaign

Waiver of Nonresident Portion of Tuition

If you are subject to payment of tuition, the nonresident portion of tuition will be waived if you are

1. an employee on appointment for at least 25 percent of full-time service with the University or with a certain specifically identified related agency, provided the appointment requires services for not less than three-fourths of the term.
2. a faculty member of a state-supported institution of higher education in Illinois holding an appointment of at least one-fourth time, provided the appointment requires service for not less than three-fourths of the term.
3. a teaching and professional staff member in the private and public elementary and secondary schools in Illinois, such as a counselor, a school psychologist, a school social worker, a librarian, or an administrator, who holds such an appointment for at least one-quarter time and for not less than three-fourths of the term.
4. the spouse or dependent child of an employee on appointment with the University or a certain specifically identified related agency for at least 25 percent of full-time service, or of a person described in the second item above. (A dependent child is one who qualifies as a dependent for federal income tax purposes.)
5. the spouse or dependent child of a fellow or a trainee who is employed as a teaching assistant to the fullest extent permitted by the fellowship appointments.
6. a person actively serving in one of the armed forces of the United States who is stationed and present in the state of Illinois in connection with that service and your spouse and any dependent children, as long as you remain stationed, present, and living in this state.

Fee Waivers and Exemptions

Special Notice: It is possible to qualify for a waiver or exemption in more than one fee category (e.g., a student enrolled in Range III may also be exempt from the Health Insurance Fee). Be sure to read this section completely to determine whether you are eligible for any fee waiver or exemption.

FEE EXEMPTIONS FOR STUDENTS ENROLLED IN TUITION RANGES III AND IV

If you are enrolled in Tuition Ranges III or IV (see p. 10), you will be assessed the General Fee and the Health Insurance Fee only. You are **exempt** from all other remaining fees. You may obtain the services provided by the remaining fees by making an individual arrangement with each service provider: see page 10 for the locations and deadlines for making such arrangements.

EXEMPTION FROM THE HEALTH INSURANCE FEE

You are **exempt** from the Health Insurance Fee and not eligible for its benefits and services if you are one of the following:

1. A student presenting a petition and evidence of approved equivalent medical insurance coverage (see p. 17).
2. A person registered for doctoral thesis research in absentia.
3. A person registered in off-campus and/or study-abroad courses for zero credit; however, the fee is required of students in those categories who are registered for more than zero credit.
4. A University employee registered at the request of your department in zero-credit courses especially established to improve your work performance.
5. A University employee who is registered as a student and who is eligible for and participates in the mandatory State of Illinois Employees Insurance Program.
6. An employee of a specifically identified related agency who is eligible automatically to receive hospital-medical coverage as an employee benefit at the cost of your employing agency.
7. An Illinois Teacher of the Year.
8. A CIC Visiting Scholar.
9. A University of Illinois at Chicago student in concurrent enrollment.

SERVICE FEE

The Service Fee will be **waived** if you are

1. a graduate teaching or research assistant holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
2. a foreign exchange student with a Service Fee waiver as part of the exchange contract.
3. a holder of a Graduate College waiver.
4. a law student with a Service Fee waiver.
5. a participant in the International Exchange Program in Agriculture.
6. a participant in the Bridge Program.
7. an Illinois Teacher of the Year.
8. a CIC Visiting Scholar.
9. a University of Illinois at Chicago student in concurrent enrollment.
10. a Department of Children and Family Services dependent.

You will be **exempt** from the Service Fee if you are

1. a student enrolled in Credit Range III or IV (see p. 10).
2. a student registered in absentia.
3. a student registered in a study-abroad program.
4. a student registered as a participant in the official high school concurrent enrollment program.
5. a participant in the Enrich program.
6. a student registered in a recognized off-campus program.
7. a faculty member or academic employee holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
8. a staff member holding at least a 50-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
9. an employee (as defined in items 7 and 8 above) holding an appointment with the University of Illinois at Chicago.
10. an interinstitutional staff member.
11. a cooperating teacher, administrator, or field supervisor, as defined in the section on tuition.
12. a faculty member, academic employee, or staff member of a specifically related agency.
13. a University of Illinois faculty, academic professional, or staff retiree.

GENERAL FEE

The General Fee will be **waived** if you are

1. a CIC Visiting Scholar.
2. a University of Illinois at Chicago student in concurrent enrollment.
3. a Department of Children and Family Services dependent.
4. an Illinois Teacher of the Year.

You will be **exempt** from the General Fee if you are

1. a faculty member or academic employee holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
2. a staff member holding at least a 50-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
3. a faculty member, academic employee, or staff member of a specifically identified related agency.
4. an interinstitutional staff member.
5. a cooperating teacher, administrator, or field supervisor, as defined in the section on tuition.
6. an employee (as defined in items 1 and 2 above) holding an appointment with the University of Illinois at Chicago.
7. a University of Illinois faculty, academic professional, or staff retiree.

HEALTH SERVICE FEE

The Health Service Fee will be **waived** if you are

1. a CIC Visiting Scholar.
2. a University of Illinois at Chicago student in concurrent enrollment.
3. a Department of Children and Family Services dependent.
4. an Illinois Teacher of the Year.

You will be **exempt** from the Health Service Fee if you are

1. a student enrolled in Credit Range III or IV (see p. 10).
2. a student registered in absentia.
3. a student registered in a study-abroad program.
4. a student registered as a participant in the official high school concurrent enrollment program.
5. a participant in the Enrich program.
6. a student registered in a recognized off-campus program.
7. a faculty member or academic employee holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
8. a staff member holding at least a 50-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
9. a faculty member, academic employee, or staff member of a specifically identified related agency.
10. an interinstitutional staff member.
11. a cooperating teacher, administrator, or field supervisor, as defined in the section on tuition.
12. an employee (as defined in items 7 and 8 above) holding a combined appointment with the University of Illinois at Chicago.
13. a University of Illinois faculty, academic professional, or staff retiree.

TRANSPORTATION FEE

The Transportation Fee will be **waived** if you are

1. a CIC Visiting Scholar.
2. a University of Illinois at Chicago student in concurrent enrollment.
3. a Department of Children and Family Services dependent.
4. an Illinois Teacher of the Year.

You will be **exempt** from the Transportation Fee if you are

1. a student enrolled in Credit Range III or IV (see p. 10).
2. a student registered in absentia.
3. a student registered in a study-abroad program.
4. a student registered as a participant in the official high school concurrent enrollment program.
5. a participant in the Enrich program.
6. a student registered in a recognized off-campus program.

7. a faculty member or academic employee holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
8. a staff member holding at least a 50-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
9. a faculty member, academic employee, or staff member of a specifically identified related agency.
10. an interinstitutional staff member.
11. a cooperating teacher, administrator, or field supervisor, as defined in the section on tuition.
12. an employee (as defined in items 7 and 8 above) holding a combined appointment with the University of Illinois at Chicago.
13. a University of Illinois faculty, academic professional, or staff retiree.

KRANNERT FEE
The Krannert Fee will be **waived** if you are

1. a CIC Visiting Scholar.
2. a University of Illinois at Chicago student in concurrent enrollment.
3. a Department of Children and Family Services dependent.
4. an Illinois Teacher of the Year.

You will be **exempt** from the Krannert Fee if you are

1. a student enrolled in Credit Range III or IV (see p. 10).
2. a student registered in absentia.
3. a student registered in a study-abroad program.
4. a student registered as a participant in the official high school concurrent enrollment program.
5. a participant in the Enrich program.
6. a student registered in a recognized off-campus program.
7. a faculty member or academic professional employee holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
8. a staff member holding at least a 50-percent appointment for three-fourths of the semester, as defined in the section on tuition.
9. an employee (as defined in 7 and 8 above) holding a combined appointment with the University of Illinois at Chicago.
10. an interinstitutional staff member.
11. a cooperating teacher, administrator, or field supervisor, as defined in the section on tuition.
12. a faculty, academic employee, or staff member of a specifically identified related agency.
13. a University of Illinois faculty, academic professional, or staff retiree.

SEAL, SORF, SGA
SEAL, SORF, and SGA charges will be **waived** if you are

1. a CIC Visiting Scholar.
2. a University of Illinois at Chicago student in concurrent enrollment.
3. a Department of Children and Family Services dependent.
4. an Illinois Teacher of the Year.

You will be **exempt** from SEAL, SORF, and SGA charges if you are

1. a student enrolled in Credit Range III or IV (see p. 10).
2. a student registered in absentia.
3. a student registered in a study-abroad program.
4. a student registered as a participant in the official high school concurrent enrollment program.
5. a participant in the Enrich program.
6. a student registered in a recognized off-campus program.
7. a faculty member or academic employee holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
8. a staff member holding at least a 50-percent appointment for three-fourths of the semester, as defined in the section on tuition.
9. a faculty member, academic employee, or staff member of a specifically identified related agency.
10. an interinstitutional staff member.
11. a cooperating teacher, administrator, or field supervisor, as defined in the section on tuition.
12. an employee (as defined in items 7 and 8 above) holding a combined appointment with the University of Illinois at Chicago.
13. a University of Illinois faculty, academic professional, or staff retiree.

STUDENT HEALTH INSURANCE PROGRAM

The University Board of Trustees requires all students to be covered by health insurance, either through a program provided by the University or one determined to be equivalent to that offered by the University. Consequently, with the exception of those exempted by policy (see p. 16), all students are subject to the Health Insurance Fee to cover the cost of the mandatory University Student Comprehensive Health Insurance Program.

You can become exempt from this fee if you present evidence of equivalent insurance coverage along with a petition for exemption from the insurance fee. **YOU MUST REQUEST EXEMPTION IN PERSON.**

Evidence of equivalent insurance may be established by either your insurance policy or an identification card with a brochure outlining the program's benefits. (Military personnel and their dependents need show only their military identification cards.) Letters from employers, insurance companies, or agents will be accepted, provided the letters are on company letterhead and are signed by a company official giving the name of the insurance company and defining the scope of your insurance coverage.

To qualify for an exemption, you must present satisfactory evidence of insurance and complete an exemption petition in person at one of the following locations:

- The Insurance Station at the Armory during on-campus registration
- The Insurance Station at the Postregistration Service Center, Illini Union, Rooms B and C
- The Student Insurance Office, Room 228, 505 East Green Street, Champaign, following the postregistration period

Requests for exemption beginning with the 1994 spring semester must be made IN PERSON by 4 pm Friday, January 28, 1994. Once waived, the exemption is continuous, and it will be your responsibility to request reinstatement in the Health Insurance Program. Reinstatement may be requested at any time up to the last day of coverage for the semester, but is subject to approval of a statement of medical history; there is no prorated premium. Telephone (217) 333-0165 with questions about insurance.

Items mailed to the Student Insurance Office or included in payments made by mail will be returned to you without action. You must resubmit such items **IN PERSON** by the stated deadline.

If you are married, you may purchase insurance for your spouse and/or children by making application and paying an additional premium in person at one of the insurance stations listed above by no later than 4 pm Friday, January 28, 1994.

A brochure explaining the insurance benefits and possible coverage during terms in which you may not be enrolled is available from the Student Insurance Office, Room 228, 505 East Green Street, Champaign, IL 61820. For further information see the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.*

SPRING SEMESTER 1994 NONCOMBINED FINAL EXAMINATION SCHEDULE[1]

MAY 6 THROUGH MAY 13, 1994
This schedule (see p. 19) does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

A combined-sections final examination schedule (for giving examinations to several sections of a course at the same time) appears late in the semester in the *Daily Illini*. That schedule,

[1] An examination for a first half-session course should be scheduled at the end of the first half-session period. If such an examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office of Facility Planning and Management, 333-1233. Examinations for second half-session courses follow the semester schedule given on p. 19.

together with detailed information governing all aspects of final examinations, is also contained in *Instructions for Giving Final Examinations*, issued in April by the Office of Admissions and Records and available for inspection at all departmental offices and libraries.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. All regulations governing final examinations will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices. Such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.** An alternate-time examination must be given at a regular examination time within the Senate-approved official final examination period.

A request for change in the examination schedule will not be considered for approval unless the instructor

- has polled the class to determine that an alternative date is desired by a majority of the class members, and
- also offers the examination at the regularly scheduled time if some choose not to take it at the alternate time, and
- has contacted the Office of Facility Planning and Management (333-1233) and has assurance that space is available in which to give the examination at an alternate time if approved. The Office of Facility Planning and Management will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless doing so is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:
Undergraduate Students: Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination for an individual undergraduate student.
Graduate Students: A student's instructor is authorized to approve a request for postponement of the final examination for an individual graduate student.

Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the case of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

Take-Home Examination

If a take-home final examination is assigned, it is to be submitted at the time and date of the regularly scheduled final examination. If instructors wish to depart from this practice, they must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

Conflicts

- Certain professional examinations (e.g., national actuarial, state CPA, and the Architect Registration Examination) take priority over campus final examinations. An instructor must offer a "conflict" examination to a student scheduled to take one of these examinations and a campus final examination at the same time.
- A noncombined course examination has precedence over a combined-sections and a conflict examination.
- A combined-sections course examination has precedence over a conflict examination.
- As between courses on the combined-sections final examination schedule, a priority system has been established, with courses in Group (1) having precedence over those in Group (2), and so forth. Conflicts within groups must be resolved by the departments involved.
- A conflict not resolved by the above order of preference must be resolved by the instructor of the course having the larger enrollment offering a makeup examination, provided he or she is informed of the conflict by the student no later than the last official day of instruction (May 4).
- Departments offering combined-sections examinations must provide conflict examinations if needed.

A detailed combined-sections and conflict final examination schedule will be published by the Office of Admissions and Records late in the semester.

Students Having More than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8 am and 1:30 pm on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8 am the following day.

Similarly, if you have a final examination at 7 pm one day and another at 8 am the next day, you cannot be required to take an examination at 1:30 pm that second day; you can, however, be required to take an examination at 7 pm of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided that you take the following actions *no later than the last official day of classes (May 4):*

- You must investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)
- If a conflict examination has been scheduled for any of the courses, you must take one or more of these conflict examinations.
- If no conflict examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor MUST provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of classes.

Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.*

THE FINAL EXAMINATION FOR A COURSE IS SCHEDULED ACCORDING TO THE FULL OR HALF-HOUR ON MONDAY OR TUESDAY ON WHICH THE CLASS FIRST MEETS REGULARLY DURING THE SEMESTER.

For example, if a course meets regularly at 9 am on MWF, the examination period is from 8 to 11 am Wednesday, May 11. The final examination period for a course meeting regularly from 2:30 to 4 pm on TuTh is from 1:30 to 4:30 pm Tuesday, May 10.

In a course having a combination of lecture and discussion and/or laboratory periods, the first lecture hour of the week is considered the first contact of the week for purposes of determining the examination time. Call 333-1233 with questions concerning this matter.

For a course not provided for in the examination schedule (one meeting for the first time on Wednesday or later), an examination is to be given within the established examination schedule at the discretion of the instructor and at a time that will avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

Any College of Education course at the 300- or 400-level meeting once a week must have a final examination on the same day and time that the class regularly meets. The Office of Facility Planning and Management will make room assignments for such courses.

STUDENT REGULATIONS

Student Responsibility

As an enrolled student, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

Summaries of some basic regulations are given below, but you are advised to refer to the complete texts found in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, and may be obtained at the Illini Union Information Desk, the Student Organizational Complex, 280 Illini Union, in the lobby of the Turner Student Services Building and at Window 25, 100 Henry Adminstration Building.

Academic Integrity

If you engage in an act of academic dishonesty, you become liable to severe disciplinary action. Such acts include cheating; falsification or invention of any information or citation in an academic endeavor; helping or attempting to help others commit academic infractions; plagiarism; offering bribes, favors, or threats; academic interference; computer-related infractions; and failure to comply with research regulations.

Rule 31 of the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students* gives complete details of rules governing the academic integrity system. You are responsible for knowing and abiding by these rules.

Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of $20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, gymnasium supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent himself or herself as a duly registered student, or if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student.

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, 129 Illini Union, 244-0135.

Falsification of Documents

If you, for purposes of fraud or misrepresentation, falsify, forge, deface, alter, or mutilate in any manner any official University document or representation thereof, you may be subject to discipline. Some examples of official documents are identification cards, program requests, receipts, transcripts of credits, library documents, and petitions for reclassification of residency status.

If you, as an applicant, withheld information pertinent to the admissions decision or gave false information while making application for admission or readmission to the University of Illinois at Urbana-Champaign, you will be declared ineligible for admission to the University; if this is discovered after admission but before initial registration, your admission will be canceled.

If the falsification led to admission that would not have been granted on the basis of your academic record, the appropriate action will be invoked by the college involved and your registration will be canceled. If you contest your admission or registration cancellation in writing within ten working days after notification, your case will be reviewed by the vice-chancellor for academic affairs or his designee.

If you would have been admitted on the basis of your true record, your case will be referred to the Senate Committee on Student Discipline for possible disciplinary action, including dismissal.

You may be subject to discipline if you knowingly withhold information or give false information in any document or material submitted to any member or agent of the University.

Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report form with their Notice of (Re)Admission packet. Students who fail to return the form by the date shown will have their Registration Statements of Charges and Aid encumbered for the spring semester; before being allowed to complete registration, they must report to the Postregistration Service Center to receive instructions for compliance with state law. New and readmitted students who fail to comply with state law before the start of summer session 1994 are prohibited *by law* from enrolling in that or any subsequent term.

Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his or her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	**Undergraduates**	**Graduate Students**
Fall and Spring Semester	12 or more hours	3 or more units
Half-time Students:		
Fall and Spring Semesters	6 to 11.5 hours	1.5 to 2.75 units
Class Level:		
Freshmen	0 to 29.9 hours	
Sophomores	30 to 59.9 hours	
Juniors	60 to 89.9 hours	
Seniors	90 hours and above	

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

Repeated Undergraduate Courses

If a student is permitted by the dean of his or her college to repeat a subject for which the student has received credit either by class work at the University or by advanced standing previously allowed for work done elsewhere, he or she forfeits the original credit. The original credit earned in a course is not forfeited by registration unless the student remains registered in the repeated course to the end of the semester, term, or summer session.

Failure to pass the repeated course does not restore the original credit, but both grades count in the graduation average if the course is one regularly acceptable toward the student's degree. If the course is again repeated, all grades received, passed or failed, are counted in the graduation average.

Credit-No Credit Policy

The credit-no credit grading option at this campus is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D, E, or Ab.

ALL STUDENTS

- Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours.
- Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC.
- Grades of C or better are required to earn credit.
- Final grades of CR or NC (for credit or no credit) are recorded on the student's permanent academic record and subsequently will not be changed to letter grades.
- A correspondence course student may elect the credit-no credit option before completion of one-eighth of the lessons contained in the course; however, should the student desire to return to a letter

grade, an amended credit-no credit form must be filed before completion of one-half of the lessons.
- Courses taken under the credit-no credit option, either in residence or in correspondence, may be dropped only in accordance with the normal procedures for dropping courses.

UNDERGRADUATE STUDENTS

- Any undergraduate student in good academic standing (but not on probation) may elect the credit-no credit system. Students not in residence, but enrolling in correspondence courses, may elect the credit-no credit option, provided they are in good academic standing (but not on probation).
- To elect the credit-no credit option, a student must obtain the approval of his or her adviser or, in the case of a correspondence course, the adviser or college office.
- A student who goes on probation after enrolling must change his or her program to eliminate the credit-no credit option.
- A maximum of 18 semester hours earned under the credit-no credit option may be applied toward a degree at the Urbana-Champaign campus of the University. A correspondence course taken on a credit-no credit basis will be included in the 18 semester-hour maximum credit-no credit limit allowed. A full-time student may take a maximum of two courses each semester under the credit-no credit option. A part-time student may take one course each semester under this option.
- Any lower- or upper-division course may be chosen under the credit-no credit option except courses used to satisfy the University's general education requirements, courses designated by name or area by the major department for satisfying the major or field of concentration, or those specifically required by name by the college for graduation.
- In cases of subsequent change of major or field of concentration, courses previously taken under the credit-no credit option in the new field may qualify for meeting major requirements.
- For a course taken in residence, undergraduate students must exercise the credit-no credit option during on-campus registration, within the first eight weeks of instruction in a semester, or during the first four weeks of an eight-week course taught in a semester. A student may elect to return to the regular grade option by filing an amended request within the first eight weeks of instruction in a semester or within the first four weeks of instruction in an eight-week course taught during a semester. The credit-no credit option form must be properly approved and deposited in the college office.

PROFESSIONAL STUDENTS

Students in the Colleges of Law and Veterinary Medicine may elect the credit-no credit option in undergraduate courses not required as part of the professional curriculum.

Professional students may elect the credit-no credit option during advance enrollment, during on-campus registration, within the first eight weeks of a semester course, or within the first four weeks of an eight-week course taught during the semester. A student may elect to return to the regular grade basis by filing an amended request within the first eight weeks of a semester course or within the first four weeks of an eight-week course taught during the semester. The credit-no credit option form must be properly approved and deposited in the college office.

GRADUATE STUDENTS

Graduate students may elect the credit-no credit option either during on-campus registration or through the last day allowed for dropping a course without academic penalty. A student may elect to return to the regular grade basis by filing an amended request by the deadline date for dropping a course without academic penalty as indicated in the academic calendar. The credit-no credit option form must be properly approved and deposited in the college office.

The student's adviser must approve the election of this option in accordance with the policy established by the major department.

Over the entire course of a degree program, a student must earn at least 2 units of graded (A-D) course work for each unit of credit-no credit course work. In any one semester, a student may take no more than one unit on a credit-no credit basis.

Units transferred from another university cannot be used as part of the "graded course work."

If a student is admitted on a limited basis, or if a student falls below the Graduate College minimum grade-point average of 3.75 (or below the departmental minimum grade-point average) and is placed on a limited basis, he or she will not be allowed to register for credit-no credit course work for units of credit until the grade-point average has been raised to the minimum and the limited status designation has been removed.

Withdrawal from the University

A student who leaves the University during a semester must officially withdraw from the University by filing a clearance paper obtained at the college office; otherwise, the courses he or she is pursuing will appear on the student's record as Ab (absent—counts as failure). (A student enrolled in only one course who later drops that course must officially withdraw from the University.) Students who withdraw must apply for readmission.

Upon notification that the University discipline system has initiated action against a student, that student may not officially withdraw until the case hearing has been conducted by the appropriate disciplinary committee.

In addition to applying for readmission, an undergraduate student who withdraws from the University within the last three weeks of instruction in a semester, or whose status cannot be determined because of excused grades, may register again only on petition approved by the dean of the college (see page 3).

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he or she has completed an exit interview with the Office of Student Accounts and Cashiering, 162 Henry Administration Building.

The charge for an official transcript is $5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is $4 per copy. The charge for additional copies *ordered at the same time and sent to the same address or picked up* is $2 per copy.

Transcripts may not be ordered by telephone. They must be ordered at the Registration Services Office, Window 25, 100 Henry Administration Building, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801. A check or money order made payable to University of Illinois must accompany the order.

Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. Guidelines and regulations for discharge of the University's obligation under this act are contained in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.*

- A student has the right to inspect his or her educational record.
- The University may release without the student's consent information that appears in student directories and publications that are available to the public, except when a currently enrolled student requests that the University suppress this information until the first day of classes of the following semester. Directory information includes the student's name; addresses; telephone numbers; college, curriculum, and major field of study; class level; date of birth; dates of attendance and full- or part-time status; eligibility for membership in registered University honoraries; degrees, honors, and certificates received or anticipated; weight and height if he or she is an athletic team member; participation in officially recognized activities and sports; and institution previously attended. Forms for suppressing this information are

available at Station 1A in the Armory during on-campus registration and at Window 27, 100 Henry Administration Building, during late registration. The forms must be completed and filed either at on-campus registration or before the sixth day of instruction. (See page 3.)

- Certain student records may be released only with the prior consent of the student.
- Certain student records can be released with or without the student's consent.
- Under certain conditions, parents may be granted access to a student's record with or without the student's consent.
- Procedures exist for students to challenge the contents of their educational records.

Addresses of Students

Each student is responsible for maintaining in the Office of Admissions and Records the following current addresses:

- His or her local address (for local mailings)
- His or her permanent address or permanent mailing address
- The address of his or her parent(s), guardian, or spouse

Each address must be reported each term. All changes must be reported immediately to the Registration Services Office, Window 25, 100 Henry Administration Building.

EMERGENCY SHORT-TERM AND INTERMEDIATE LOANS

In emergencies, University students who have completed all steps in the registration process, including payment of tuition and fees, may be eligible to negotiate short-term or intermediate loans. For information, students who are U.S. citizens should go to 400 Turner Student Services Building; international students should go to 510 East Daniel Street, Champaign.

STUDENT/CONSUMER INFORMATION

The University of Illinois at Urbana-Champaign has student/consumer information available at the following campus locations:

NONDISCRIMINATION STATEMENT

The commitment of the University to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms.

It is the policy of the University of Illinois not to engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in the University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

For additional information on the equal opportunity, affirmative action, and harassment policies of the University, please contact: Joseph H. Smith, Associate Chancellor and Director of Affirmative Action (Title IX, ADA and 504 Coordinator), 202 Swanlund Administration Building, MC-304, 601 East John Street, Champaign, IL 61820; (217) 333-0885.

The University of Illinois at Urbana-Champaign does not necessarily endorse, recommend, and/or approve the products and services advertised in this publication. Endorsement, recommendation, and/or approval should not be inferred.

HOW COURSES ARE LISTED

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed for freshmen and sophomores) are numbered 100 to 199; for advanced undergraduates (designed for juniors and seniors), 200 to 299; for advanced undergraduates and graduates (junior, senior, or graduate standing required), 300 to 399; for graduates, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, "8-10 MWF" indicates that class periods begin at 8 am and continue for approximately two hours on Monday, Wednesday, and Friday; "11 TT" means that class periods begin at 11 am and continue for fifty minutes on Tuesday and Thursday. Any class beginning after 6 pm is indicated by the letters PM. For example, "730-930 PM" indicates that the class period begins at 7:30 pm and continues until approximately 9:30 pm.

Class Locations

The place where each class meets is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found on page 23.

Credit

Credit for undergraduate students is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate students is counted in units. A 1-unit course requires ten hours of time each week throughout a semester, irrespective of the distribution of that time in class work, laboratory work or fieldwork, and private study. Four such courses or their equivalent constitute a student's normal program for one semester. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or its supplement. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 1/2 to 2 units; in registering for a course with variable credit, each student indicates on the Program Request form the number of hours or units for which he or she intends to take the course.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Approval of the Graduate College must be obtained for the registration of undergraduate students in 400-level courses for semester hour or unit credit.

Evening Courses (4 pm and Later)

The following list of evening courses is substantially correct; however, some errors and omissions might exist. Please refer to the main body of the *Timetable* and to the supplement for current information.

CHEM 102 General Chemistry (Biological Or Physical Version).
PREREQUISITE: CHEM 101, OR CHEM 107 AND 109, OR ADVANCED PLACEMENT CREDIT FOR ONE SEMESTER OF COLLEGE LEVEL CHEMISTRY
*STUDENTS MAY NOT RECEIVE CREDIT FOR BOTH CHEM 102 AND CHEM 108 AND 110
*4 HOURS
PHYSICAL VERSION: TWO INSTRUCTIONAL FORMATS ARE OFFERED
SECTIONS 13P-82P INVOLVE LECTURE, QUIZ AND LAB SESSIONS
SECTIONS 11T-94T INVOLVE LECT-DISC AND LAB SESSIONS
BIOLOGICAL VERSION: TWO INSTRUCTIONAL FORMATS ARE OFFERED
CHEM 102 P AND T EMPHASIZE TOPICS AND APPLICATIONS APPROPRIATE FOR MOST ENGINEERING STUDENTS.
SECTIONS 242, 243, 253, 254, AND 258 INVOLVE LECT-DISC AND LAB SESSIONS. SECTIONS 23B-25B, 28B, 41B, 44B-47B, 51B, 52B, 55B-57B, 21Z, 22Z, 26Z, 27Z, AND 31Z-39Z INVOLVE LECTURE, QUIZ, AND LAB SESSIONS
CHEM 102 B AND Z EMPHASIZE BIOLOGICAL EXAMPLES AND ARE APPROPRIATE FOR STUDENTS IN THE LIFE SCIENCES AND RELATED AREAS AND SOME ENGINEERING CURRICULA. (CONSULT ADVISORS)
SECTIONS 35Z AND 39Z ARE MERIT WORKSHOPS. ENROLLMENT BY INVITATION ONLY. CALL 333-3015 FOR INFORMATION

Jniversity of Illinois Micro Order Center

Jniversity Faculty, Staff and Students

What is the Micro rder Center?

he Micro Order Center ells computers, software, rinters and computer eripherals from companies uch as Apple, IBM, Dell, icrosoft, Aldus and ewlett Packard to eligible tudents, Faculty and Staff. e also offer up to date ormation on the latest eleases and newest hnology in computers.

Why should I go to the Micro Order Center?

The University operated center offers information, product displays and pricing on educationally discounted computers, printers, monitors, and software The employees of the Micro Order Center do not work on a commission and the atmosphere is one of providing information instead of selling product. Many vendors offer substantial discounts to educational customers and the Micro Order Center is a good place to lea, n about these discounts

Where is the Micro Order Center located?

The Micro Order Center is located in the lower level of the Illini Union north of the computer lab

When is the Micro Order Center open?

The Micro Order Center's hours are Monday through Friday 9:00AM to 4:00PM

Can I call to get information?

Feel free to call 217-244-7938 during regular hours to get information or pricing updates

University of Illinois Bicycle Guidelines

OPERATION OF BICYCLES

Any bicycle that is operated or parked on campus **must** be registered with the Division of Campus Parking and must be operated at all times in accordance with the current *University Bicycle Code*. There is no fee for this registration. Bring the following items and information to the office at 505 East Green:

- Bicycle's serial number
- The type of bicycle (make, model, and color)
- Your social security number and a photo ID

A complete copy of the regulations can be obtained from the Division of Campus Parking. A partial list of the regulations follows.

- Bicycles on campus must be registered.
- Most current bicycle registration is for an indefinite period, and registration renewal is not required unless the registration sticker becomes unreadable or there is a change in ownership. Any bicycle displaying a registration sticker that has an expiration date must be reregistered. A replacement should be obtained from the Division of Campus Parking if a registration sticker becomes damaged.
- Each bicycle must be equipped with an audible warning device, brake, and lights.
- Every person operating a bicycle must do so in obedience to traffic control devices and rules of the road applicable to motor vehicles under Illinois state law and to regulations included in the *University Bicycle Code*.
- Bicycles should be ridden *only* on bicycle paths or—where there are no paths—on streets. They SHOULD NEVER be ridden on campus sidewalks.
- Whenever a bicycle crosses a pathway used for pedestrian travel, the operator of the bicycle must yield the right-of-way to pedestrians.

BICYCLE PARKING

Bicycles can be parked on campus only in an area that has a "Bicycle Parking Area" sign or that has bicycle racks. Lack of available space within a specific bicycle parking area is not a valid reason for violating this regulation.

Within any bicycle parking area, a bicycle must be parked in a manner that obstructs only one of the positions provided by the bicycle rack.

Within a bicycle parking area, parking that obstructs entrance or exit is prohibited.

No person should leave a bicycle unattended without first locking it securely to a bicycle rack.

IMPOUNDING BICYCLES

A bicycle can be impounded if it is parked in an unauthorized place or manner, if it is not properly registered, or if it appears to have been abandoned.

When a bicycle is impounded, notice is sent within fifteen days to its registered owner at the address given on the latest registration form on file with the Division of Campus Parking.

Any impounded bicycle that is not redeemed within thirty days after notice is considered abandoned and will be disposed of by the University.

FURTHER INFORMATION

This map was produced as an aid to bicyclists. The user must realize that potential hazards exist along the routes. The University of Illinois does not warranty the safety or fitness of the suggested routes and is not responsible for your safety. You are strongly encouraged to follow the safety laws as outlined in the *University Bicycle Code*.

University of Illinois Micro Order Center

What is the Micro Order Center?

The Micro Order Center sells computers, software, printers and computer peripherals from companies such as Apple, IBM, Dell, Microsoft, Aldus and Hewlett Packard to eligible Students, Faculty and Staff. We also offer up to date information on the latest releases and newest technology in computers.

Why should I go to the Micro Order Center?

The University operated center offers information, product displays and pricing on educationally discounted computers, printers, monitors, and software. The employees of the Micro Order Center do not work on a commission and the atmosphere is one of providing information instead of selling product. Many vendors offer substantial discounts to educational customers and the Micro Order Center is a good place to learn about these discounts.

Where is the Micro Order Center located?

The Micro Order Center is located in the lower level of the Illini Union north of the computer lab.

When is the Micro Order Center open?

The Micro Order Center's hours are Monday through Friday 9:00AM to 4:00PM.

Can I call to get information?

Feel free to call 217-244-7938 during regular hours to get information or pricing updates.

TIMETABLE

Fall Semester

1994

University of Illinois
at Urbana-Champaign

Make life a little easier for yourself.

Stop by the Micro Order Center and see what we have to offer.

The University of Illinois Micro Order Center
sells computers, software, printers and computer peripherals to eligible faculty, staff and students.

Educational Discounts!
Products from companies such as Apple, IBM, Dell, Microsoft, Aldus and Hewlett-Packard are available at reduced educational prices.

Hands-on Demo Equipment!
At the Micro Order Center, you will find a variety of computer equipment available for you to explore. Some of the most commonly used software is loaded on these computers for you to evaluate.

Knowledgeable Staff!
Our staff does not work on commission, so the atmosphere is one of providing information rather than that of selling product. The staff can provide you with unbiased information on the latest computer technology and help you select a solution that suits your needs.

Convenient Location!
The Micro Order Center is located in the lower level of the Illini Union, at the north end of the building. Stop by between 9:00AM and 4:00PM Monday through Friday and we will be happy to answer any questions you might have or call us at 217-244-7938.

FALL SEMESTER 1994 TIMETABLE

THIS TIMETABLE FOR FALL SEMESTER 1994 CONTAINS VALUABLE INFORMATION YOU NEED TO SELECT AND REQUEST YOUR DESIRED COURSES, COMPLETE YOUR REGISTRATION, AND OBTAIN AND PAY YOUR REGISTRATION CHARGES.

You are responsible for knowing the information contained in this *Timetable*. Careful reading and the following of instructions will make your fall registration as trouble-free as possible.

Keep this *Timetable* even if your course requests are approved; in it you will find information useful throughout the semester, including the official calendar of deadlines for various requirements such as tuition payments; how to use the credit-no credit grading option; how to get a new or replacement ID card; how to add and drop courses; and so forth. If you are required to attend on-campus registration in August, at that time you can obtain a *Timetable Supplement* containing any course changes.

Students considering enrollment in Military Science, Naval Science, or Air Force Aerospace Studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

The University of Illinois at Urbana-Champaign does not necessarily endorse, recommend, and/or approve the products and services advertised in this publication. Endorsement, recommendation, and/or approval should not be inferred.

(The Office of Publications/Office of Public Affairs at the University of Illinois at Urbana-Champaign coordinated the compiling of information appearing in this *Timetable* and contracted for its publication.)

NOTICE TO STUDENTS

The amended Family Educational and Privacy Act of 1974 includes various provisions for the protection and privacy of parents and students. Among these provisions is the requirement that educational institutions permit currently enrolled students to suppress the release of those items that the institution has designated as public information.

The University of Illinois at Urbana-Champaign defines as public information the following facts regarding each student.

- Name
- Addresses
- Telephone numbers
- College, curriculum, and major field of study
- Class level
- Date of birth
- Dates of attendance and full- or part-time status
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Weight and height, if an athletic team member
- Participation in officially recognized activities and sports
- Institutions previously attended

A student may suppress any or all items of public information from disclosure by completing and filing the appropriate form prior to the sixth class day. For fall semester 1994, forms may be obtained and filed during the following times:

Monday, August 22, and Tuesday, August 23: at Station 1A in the Armory during on-campus registration hours;

Wednesday, August 24: at Window 25, 100 Henry Administration Building, 9 am-4 pm;

Thursday, August 25, through Wednesday, August 31, at either the Postregistration Service Center (Illini Union, Rooms B and C) during regular center hours, or at Window 25, 100 Henry Administration Building, 9 am-4 pm each weekday.

The deadline for filing of the completed form is 4 pm Wednesday, August 31. For complete information concerning record release and student access rights, refer to Rules 60-68 in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.*

Advance Enrollment

Regular on-campus registration for the 1994 fall semester will be held on August 22 and 23 in the Armory. However, almost all continuing students can take advantage of an advance enrollment period during the spring semester to request fall courses and to register by mail.

Through advance enrollment, eligible students request courses for the fall semester. Academic departments, within the limits of instructional resources, attempt to accommodate these requests. Advance enrollment is not mandatory, but by advance-enrolling, you enhance the possibility of getting the courses and sections you prefer. However, when advance-enrolling, remember that, although every attempt is made to honor your requests for specific courses and sections, the scheduling process is fashioned to produce the greatest number of acceptable schedules for the greatest number of advance-enrolled students.

Can I Advance Enroll?

In general, students currently enrolled in degree programs can advance-enroll for fall semester 1994. However, if you are either of the following, you may not advance-enroll, but will have to attend on-campus registration:

- A part-time nondegree student.
- A student graduating in May 1994, unless you are approved to pursue a graduate, professional, or second baccalaureate degree during the fall semester.

Students newly admitted or readmitted to degree programs may advance enroll.

When Can I Advance-Enroll?

Advance enrollment for fall 1994 courses will be held from Wednesday, April 6, through Wednesday, April 13.

---

*On-line direct registration is expected to be in effect by this time. If so, then this period will be available for students to adjust their schedules using computer terminals.

How Do I Advance-Enroll?

Advance enrollment begins with completion of a Program Request form. Continuing undergraduate and professional students obtain and complete this form and receive additional information about advance enrollment at their respective college offices, unless informed otherwise by either their department or college. Continuing graduate students obtain and complete the Program Request form at their respective departmental offices.

You cannot advance-enroll without using the Program Request form along with this *Timetable* and the program work sheets included on page 24. Use the work sheets to develop your proposed schedule and transfer the final version to the Program Request form. Be sure to keep a copy of your course requests.

Because the Program Request form is used to request courses and sections, it should be completed in consultation with an adviser. If you are in a college that permits self-advising, submit the form in accordance with both the instructions given by the college and those given on the back of the form. Check the form carefully: correct completion of the Program Request form is essential for successful advance enrollment and registration by mail.

Are There Any Restrictions on Advance Enrollment Requests?

All course requests made during both advance enrollment and on-campus registration are accepted subject to enrollment conditions imposed by the offering departments. In addition, colleges and departments reserve the right to

- impose enrollment prerequisites;
- reassign students to other sections in a course;
- withdraw students from certain courses or sections after advance enrollment and/or on-campus registration;
- cancel course offerings or sections for legitimate educational reasons, such as when minimum enrollment standards have not been met.

Conditions for course enrollment and other changes may be publicized in this *Timetable*, the *Timetable Supplement*, or other media available to the University, and at locations where students request sectioning approval from departmental representatives.

IN ORDER TO ADVANCE-ENROLL AND REGISTER BY MAIL FOR THE 1994 FALL SEMESTER, YOU MUST SUBMIT A CORRECTLY COMPLETED PROGRAM REQUEST FORM AT YOUR COLLEGE OFFICE BY NO LATER THAN 5 PM WEDNESDAY, APRIL 13. FAILURE TO DO SO WILL REQUIRE YOU TO ATTEND ON-CAMPUS REGISTRATION IN AUGUST.

Registration by Mail

Can I Register by Mail?

You may register by mail if you

- advance-enroll by submitting a properly completed Program Request form by the announced deadline, and
- are not encumbered for nonfinancial reasons as of noon Thursday, July 28, or
- are not encumbered for financial reasons as of 4 pm Friday, July 29.

When Will Registration Materials Be Mailed to Me?

Registration materials will be mailed to advance-enrolled students beginning Tuesday, August 2. *If, even though advance-enrolled, you do not receive a Registration Agreement and other registration materials by mail, it is your responsibility to attend on-campus registration, obtain registration materials, and complete registration by depositing a signed Registration Agreement by the announced deadline.*

What Materials Will I Receive?

If you are not encumbered, you will receive

- your individual class schedule for the fall semester, and
- your individual Registration Agreement with your local, permanent home, and parent/guardian/spouse addresses.

If you are encumbered, you will receive

- your individual class schedule for the fall semester, and
- instructions about how to clear your encumbrance during on-campus registration, which you must attend.

Where Will These Materials Be Sent?

Registration-by-mail materials will be sent to the "permanent home address" you have provided either at a previous registration or on an Address Collection form mailed to all undergraduate and professional students beginning March 22; this form will be available to graduate students in their departmental offices beginning that same date. Erroneous addresses on the form should be corrected and the form returned immediately either in person at Window 25, 100 Henry Administration Building, or by campus or U.S. mail to Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801.

If you wish your registration-by-mail materials sent to an address within the United States different from the listed permanent home address, indicate that address on the Address Collection form.

Materials will be mailed to addresses in the United States, Canada, Mexico, Puerto Rico, Virgin Islands, and Guam. International students may either give an alternate address to which the materials should be sent or pick them up in 138 Henry Administration Building beginning Monday, August 8.

If, for any reason, your mailed registration materials are returned marked "undeliverable," they will be available in 138 Henry Administration Building beginning at 8 am Monday, August 8.

With the Address Collection form you will receive a Midsemester Study List showing the University's record of your 1994 spring semester enrollment. Check the list carefully and report any errors in either courses or credits to your college office. *Exception: If you are a graduate student, report course enrollment errors to your departmental office.* Course section errors should be reported to the department offering the course.

How Do I Complete Registration by Mail?

To complete registration by mail, you must return a signed Registration Agreement to the Office of Admissions and Records so that it is received no later than 5 pm Tuesday, August 23. If your signed agreement is not received by that time, your advance enrollment schedule will be canceled and you must participate in late registration, which means you will have to begin the registration process all over again. The signed agreement may be returned by one of the following methods:

- By campus or U.S. mail to the address given on the agreement, allowing at least five days for delivery; or
- By depositing the agreement in the Armory during the August 23-24 on-campus registration period; or
- By depositing the agreement in 138 Henry Administration Building between 8 am and 5 pm during any weekday (excluding holidays) between August 9 and August 23. **Do not use registration drop boxes to return your Registration Agreement;** those boxes are for return of your Registration Statement of Charges and Aid.

It is important that you correct any erroneous address information on your Registration Agreement and that you furnish a complete mailing address in the area identified as "Local Address": that address will be used to mail your Registration Statement of Charges and Aid (see p. 14). *Even though you may live at the address identified on the agreement as "Permanent Home Address," you still must furnish that same address in the "Local Address" area.* If you live in a private home, apartment, or rooming house, be certain your name is on your mailbox to ensure delivery by the local postal service.

If by August 23 you still do not know your local address for the fall semester, you may indicate your intention to pick up your statement in person at the Postregistration Service Center (see p. 8). **You are responsible for obtaining a statement and paying your registration charges on time whether or not you received a statement at your local address.**

Should I Return My Registration Agreement Promptly Even Though I Have to Make Schedule Changes?

Yes. Returning a signed Registration Agreement ensures that your requested schedule will be retained and that, beginning the first day of classes, you will be entitled to most services and benefits available to fully registered students. After returning your signed agreement, you should plan to attend on-campus registration according to the alphabetical order of registration and make the required adjustments at that time. It is better to arrange any required changes during rather than after on-campus registration: many courses and sections will be filled during that period and thus closed to students requesting them after the beginning of instruction. Be sure to bring your preprinted class schedule to on-campus registration.

The Registration Agreement

The Registration Agreement is a legal document, and by signing it you agree to certain conditions governing your enrollment at the University, including your obligation to pay all registration charges when due. Therefore, it is in your interest to read the agreement carefully so that you are aware of your rights and responsibilities. Furthermore, if your signed agreement is not received by the Office of Admissions and Records by 5 pm August 23, your advance enrollment course schedule will be canceled, and you will have to participate in late-registration activities.

What If I Lose My Registration Agreement?

If you lose your Registration Agreement, go to the Armory during on-campus registration to obtain a duplicate. Remember, if you advance-enroll but do not return a signed Registration Agreement by 5 pm August 23, your class schedule will be canceled and you will have to attend late registration.

Answers to Questions about Registration

A Registration Information Center will be open in 138 Henry Administration Building from 8 am to 5 pm each weekday (excluding holidays) from Monday, August 8, through Tuesday, August 23. If you have a question about registration, either go to the center in person or call (217) 333-0660 or 333-0661. You may deposit your signed Registration Agreement at the center until 5 pm August 23.

On-Campus Registration

On-campus registration for the 1994 fall semester will be held in the Armory on Monday, August 22, and Tuesday, August 23. If you attend on-campus registration, be sure to deposit a signed Registration Agreement before you leave the Armory.

Should I Attend On-Campus Registration?

You should attempt to complete your registration in the Armory if you are in any of the following categories:

- You did not advance-enroll.
- You advance-enrolled but need to make schedule changes.
- You advance-enrolled but either did not receive registration-by-mail materials or lost those that you received.
- You advance-enrolled but are encumbered.
- You advance-enrolled and received registration-by-mail materials, but choose not to return your Registration Agreement either by mail or in person at 138 Henry Administration Building.

If you advance-enroll, receive registration-by-mail materials with approval of all your course requests, and return your signed Registration Agreement either in person or by mail, you do not need to go to the Armory during the on-campus registration period to complete your registration

When Will I Be Admitted to the Armory?

You may enter the Armory through the south central doors at any time during the on-campus registration period. However, you will not be admitted to the Course Sectioning Area until the time listed below for your last name. To be admitted to the Course Sectioning Area, you must present either an Advance Enrollment Schedule or a Registration Agreement.

How to Proceed

Where Do I Obtain Registration Materials If I Did Not Advance-Enroll?

If you need to obtain registration materials before registering, find your college on the list below and proceed to that location.

AGRICULTURE	104 Mumford Hall
APPLIED LIFE STUDIES	108 George Huff Hall
AVIATION	Station IA, Armory
BASIC MEDICAL SCIENCES AND CLINICAL MEDICINE	190 Medical Sciences Building
COMMERCE AND BUSINESS ADMINISTRATION	214 David Kinley Hall
COMMUNICATIONS	119 Gregory Hall
EDUCATION	120 Education Building

ENGINEERING	Engineering Document Table, Armory
FINE AND APPLIED ARTS	116 Architecture Building
GRADUATE COLLEGE	See your adviser
LAW	207 Law Building
LIBERAL ARTS AND SCIENCES	Northwest Entrance, Lincoln Hall
NURSING	408 South Goodwin Avenue
SOCIAL WORK	1207 West Oregon Street
VETERINARY MEDICINE	2271G Veterinary Medicine Basic Sciences Building

How Should Nonadvance-Enrolled Students Proceed?

If you are a **graduate student**, follow these steps:

1. On or after August 15, but before proceeding to on-campus registration, complete a Program Request form and obtain your adviser's approval at your departmental office. NOTE: If you are encumbered, follow steps 2-4; if you are not encumbered, go directly to step 5.
2. Take the Program Request form to Station B, Document Distribution, in the Armory and obtain an Encumbrance Clearance form.
3. Obtain clearances and have them recorded on the clearance form.
4. Go to Station D in the Armory and exchange the Encumbrance Clearance form for a Registration Agreement.
5. Proceed to the Course Sectioning Area at the time indicated in the order of registration.

If you are an **undergraduate or professional student**, follow these steps:

1. At the proper time in the order of registration, proceed to your college location (given above).
2. If you are not encumbered, you will receive a Program Request form, a Registration Agreement, and instructions about meeting with advisers and completing on-campus registration.
3. If you are encumbered, you will receive a college authorization card. Proceed according to steps 4 through 7.
4. Take the card to Station B, Document Distribution, in the Armory and obtain an Encumbrance Clearance form.
5. Obtain all clearances and have them recorded on the form.
6. Go to Station D in the Armory and exchange the Encumbrance Clearance form for a Registration Agreement.
7. Proceed to the Course Sectioning Area.

How Do Unencumbered Advance-Enrolled Students Make Schedule Changes?

1. Prior to taking any action, return your signed Registration Agreement.
2. If you want to add or drop a course or to change credit for a course in which you are enrolled, follow step 3, 4, or 5; if you want to change a section, follow step 6 only.
3. If you are a **graduate student**
   - go to your major departmental office,
   - complete a Change of Program form,
   - have it signed by your adviser, and
   - take the form to the appropriate clerk in the Course Sectioning Area in the Armory.
4. If you are in **Commerce and Business Administration, Nursing, Veterinary Medicine, Law, or Medical Sciences**
   - go to your college of enrollment,
   - complete a Change of Program form,
   - obtain an adviser's signature, if required, and
   - take the form to the appropriate clerk in the Course Sectioning Area in the Armory.
5. **If you do not fit in either step 3 or step 4 categories**
   - go your college adviser in the Course Sectioning Area of the Armory,
   - obtain and complete a Change of Program form, and
   - if required, have an adviser approve your requested change(s).
6. **If you want only to change a section,** go to the appropriate sectioning table in the Armory and obtain a Change of Section form; no adviser or college approval is required. Proceed to the Course Sectioning Area

How Do Encumbered Advance-Enrolled Students Proceed?

1. Proceed to Station B, Document Distribution, in the Armory and obtain an Encumbrance Clearance form.
2. Follow the instructions on the form and obtain the necessary clearances.
3. Exchange the clearance form for a Registration Agreement at Station D.
4. If you need to make any schedule changes, follow the appropriate procedures for unencumbered students.

The Course Sectioning Area

Most course transactions occur in this area during on-campus registration. You will be admitted to this area of the Armory at or after the time indicated in the order of registration IF you can present either an Advance Enrollment Schedule or a Registration Agreement.

The chart indicates the forms you will need to complete various course transactions in the sectioning area.

Action Desired	Form(s) Required
If you advance-enrolled:	
Program change (add or drop courses or change credit)	Advance Enrollment Schedule
	Change of Program form approved by an adviser, if required by your college
Section change	Advance Enrollment Schedule
	Completed Change of Section form
If you did not advance enroll:	
Program request approval	Registration Agreement
	Program Request form approved by an adviser, if required by your college

Most course transactions can be completed by a representative of the department offering the course. If a space is available, the representative will enter the required approval on the Program Request, Change of Program, or Change of Section form.

If, on any of the required forms used during on-campus registration, you fail to include COMPLETE WRITTEN INFORMATION that clearly identifies the course(s) and/or section(s) in which you wish to enroll, you will forfeit departmental approval(s). Consequently, you will have to compete with others who wish to add those courses and/or change sections after instruction begins.

Make Sure Your Registration Agreement Is Complete!

Follow this checklist to guard against future problems:

1. **Sign the Registration Agreement**. Remember, your signature constitutes your agreement to pay all registration charges when due (see p. 15).
2. **Be sure to furnish a complete mailing address in the area identified as "Local Address":** that address will be used to mail your Registration Statement of Charges and Aid (see p. 14). *Even though you may live at the address identified on the agreement as "Permanent Home Address," you still must furnish that same address in the "Local Address" area.* If you live in a private home, apartment, or rooming house, be certain your name is on your mailbox to ensure delivery by the local postal service. If by August 23 you still do not know your local address for the fall semester, you may indicate your intention to pick up your statement in person at the Postregistration Service Center (see p. 8). **YOU ARE RESPONSIBLE FOR OBTAINING A STATEMENT AND PAYING YOUR REGISTRATION CHARGES ON TIME WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS.**
3. **Deposit your completed, signed Registration Agreement before leaving the Armory.** Receipt of the agreement by 5 pm August 23 enrolls you in the courses listed on either the Advance Enrollment schedule or the completed and approved Program Request form, subject to the policy on course enrollment given elsewhere in this *Timetable*.

Other Services Available to You at On-Campus Registration

Stations are provided in the Armory for you to

- make encumbrance payments and clear most encumbrances;
- change insurance coverage;
- purchase dependent insurance coverage;
- suppress release of directory information about yourself; and
- obtain information about tuition, fees, and financial aid.

During on-campus registration, new or replacement ID cards are available at the Campus ID Center, 244-0135. The ID Center is open weekdays from 9 am to 5 pm.

POSTREGISTRATION ACTIVITIES

Important Dates

Aug 25, 9 am	Postregistration Service Center opens
Aug 25, 9 am-Sept 9, noon	Late registration in Service Center
Aug 25 and thereafter	Registration of visitors at Window 25, 100 Henry Administration Building
Aug 30-31	Registration of part-time undergraduate nondegree students
Aug 30-Sept 9, noon	Registration of part-time graduate and professional nondegree students
Sept 12 and thereafter	Late registration at Window 25, 100 Henry Administration Building

Postregistration Service Center

To help you to register after on-campus registration, to resolve registration problems, and to provide assistance in other matters related to registration, a Postregistration Service Center will be open in the Illini Union, Rooms B and C, on the following dates:

Aug 25-26:	9 am - 4:30 pm
Aug 29-Sept 2:	9 am - 4:30 pm
Sept 6-8:	9 am - 4:30 pm
Sept 9:	9 am - noon

The center will be closed on weekends and on Monday, September 5, Labor Day.

What Can the Service Center Do for Me?

Personnel will be available at the Service Center to

- assist you in the late-registration process, except for those course transactions that are processed in college or departmental offices;
- answer your questions concerning fee assessment and graduate or fellowship appointments;
- answer your questions about financial aid;
- answer your questions concerning your residency status;
- handle your request for health insurance exemption and/or dependent coverage,
- provide forms for the suppression of directory information about yourself (August 25-26 and August 29-31 only, see p. 3);
- give you the Registration Statement of Charges and Aid that you asked to be held for you rather than mailed; and
- adjust any errors on your Registration Statement of Charges and Aid.

During postregistration, new or replacement ID cards are available at the Campus ID Center, 244-0135. The ID Center is open weekdays from 9 am to 5 pm; it will be closed weekends and on Monday, September 5.

Late Registration

Late registration will be conducted in the Postregistration Service Center, Illini Union, Rooms B and C, during regular Service Center hours from Thursday, August 25, until noon Friday, September 9. Late registration will then resume at 9 am Monday, September 12, at Window 25, 100 Henry Administration Building. **YOU WILL NOT BE PERMITTED TO REGISTER ON THE AFTERNOON OF FRIDAY, SEPTEMBER 9.**

To begin late registration, you must go to one of the following locations for registration materials:

- If you are a **graduate student**, go to the office of your department of enrollment, obtain a Program Request form, secure clearances from the departments offering your desired courses, and bring all materials to the Postregistration Service Center by noon Friday, September 9, or, thereafter, to Window 25, 100 Henry Administration Building.
- If you are a **nonadvance-enrolled undergraduate or professional student**, go to the office of your college of enrollment, obtain a Program Request form and a Registration Agreement, secure clearances from the departments offering your desired courses, and, when required, from your adviser, and bring all materials to the Postregistration Service Center by noon September 9, or, thereafter, to Window 25, 100 Henry Administration Building.
- If you are an **advance-enrolled undergraduate or professional student who failed to file a signed Registration Agreement by the deadline**, go to your college of enrollment, obtain a Program Request form, and obtain clearances from the departments offering your desired courses and, when required, from your adviser. Then, go to the Postregistration Service Center by noon Friday, September 9; if you miss that deadline, go to Window 25, 100 Henry Administration Building, beginning 9 am Monday, September 12.

SPECIAL NOTICE: Undergraduate students may register after the fifth day of instruction (August 31) only with the written consent of their college dean.

Is There a Penalty for Registering Late?

If you register late by submitting a signed Registration Agreement after 5 pm Tuesday, August 23, you will be assessed a late registration fine of $15 (amount subject to change) unless

- you are a part-time nondegree student (see below), or
- you are registering as a Visitor (see p. 9).

The late registration fine may be waived upon approval of a petition demonstrating exceptional circumstances, such as serious illness or death in the immediate family, activities here or elsewhere during the registration period that benefited your academic program, or circumstances beyond your control. The petition form is available at the Postregistration Service Center during regular Service Center hours and, beginning September 12, at Window 25, 100 Henry Administration Building.

Part-time Nondegree Student Registration

When Do Part-time Nondegree Students Register?

If you are an undergraduate part-time nondegree student, you must complete registration on August 30-31. If you are a graduate or professional part-time nondegree student, you may register between August 30 and noon September 9.

Part-time nondegree students who register on these dates will not be charged the late registration fine.

Full-time nondegree students are reminded that, because they have full advance enrollment and registration privileges, they are subject to the same registration rules as degree candidates, including the late registration fine.

How Do Part-time Nondegree Students Register?

Undergraduate and professional students: Obtain registration materials at your college office, obtain all required approvals, and bring all documents to the Postregistration Service Center.

Graduate students: Obtain a Program Request form from your adviser in your major department of enrollment, obtain clearances from the departments offering your desired courses, and bring it to the Postregistration Service Center.

University staff employees require the additional written approval of the director of the campus Personnel Services Office and should telephone 333-2142 for information.

Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

How Do I Register as a Visitor?

In all cases, written approval is required on an official Visitor's Permit, available either at Window 25, 100 Henry Administration Building, or at your college office. After obtaining the form, proceed according to one of the following conditions:

- If you are a currently enrolled student, obtain permission from the instructor of the class and the approval of the dean of your college.
- If you are a former student not currently registered, obtain the approval of the dean of the college in which you were last registered.
- If you have not been previously registered at the University, obtain the approval of the dean of the college in which the course is offered.

If you are a staff employee of the University, in addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work and the approval of the director of the campus Personnel Services Office on the Course Enrollment form.

After obtaining all required approvals on the Visitor's Permit form, bring the form to Window 25, 100 Henry Administration Building, to complete registration.

How Much Will It Cost to Be a Visitor?

Charges (amount subject to change) for attending a class as a visitor are determined by the criteria given immediately below.

Status	Charge
Students currently registered in Tuition and Fee Schedule Range I (see p. 11); and students holding scholarships, tuition waivers, or staff appointments that exempt them from tuition	No charge
Persons with scholarships that are specifically limited by law to courses for residence credit only	$15 for each course attended as a visitor
Persons not otherwise currently registered; and students registered in Tuition and Fee Schedule Ranges II, III, and IV (see p. 11)	$15 for each course attended as a visitor

If you are sixty-five years of age or older, the visitor's fee will be waived upon presentation of proof of age at Window 25, 100 Henry Administration Building.

See the section on refunds for information regarding refunds of the fee charged visitors (p. 16).

REGISTRATION CHARGES, PAYMENTS, AND REFUNDS

Waivers and Exemptions

If you receive a **waiver**, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are **exempt** from a particular charge, that charge is not assessed, and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Ranges III or IV, you may obtain the benefits of the service provided by making an individual arrangement with the service provider (see pp. 12-13).

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. If you believe you qualify for any of these waivers or exemptions, consult the staff at the Registration Services Office, Window 25, 100 Henry Administration Building.

For the purpose of this section, the four employment categories at this campus are defined as follows:

- *Faculty* members include (1) those in the professorial ranks (i.e., professor, associate professor, assistant professor); (2) instructors and lecturers; and (3) teaching, research, and clinical associates. Various prefixes may be used in conjunction with these ranks, such as adjunct, clinical, visiting, or research.
- *Academic professionals* are those employees whose positions have been designated by the president and the chancellor as meeting specialized administrative, professional, or technical needs. Academic professional employees receive an academic contract issued by the Board of Trustees for a term appointment. They are accorded the rights and privileges pertaining to other academic personnel except those that apply specifically to academic employees with faculty rank, such as eligibility for tenure.
- *Graduate student assistants* include teaching, research, and clinical assistants.
- *Staff* employees are those members of the University work force subject to the rules of the State Universities Civil Service System.

Tuition and Fee Assessments

Basic 1994-95 tuition rates for full-time resident students have been approved by the Board of Trustees and are given on page 10; rates for nonresident full-time and all part-time students are projected at the time of publication and are subject to change. Fee rates for 1994-95 are not available at the time of publication; the chart on page 11 represents 1993-94 fee rates and should be used as a guide only: you should be aware that an increase in fee rates is anticipated.

How Is Tuition Determined?

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and curriculum of enrollment, your residency classification, and your credit range.

College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. Among undergraduates, there is a further differential between students in the lower division (0-59.9 semester hours) and the upper division (60 semester hours or more). Undergraduate nondegree students are assessed the upper-division rate. All students enrolled in engineering, chemical and life sciences, and art, music, and architecture curricula are assessed a tuition surcharge. No distinction is made between resident and nonresident students who are enrolled in Credit Range IV (zero credit only).

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates.

Information about tuition rates for students in study-abroad, Executive MBA, and other special-cost programs may be obtained at Window 25, 100 Henry Administration Building, or by calling (217) 333-0210.

Residence Classification

A second factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). This decision is based on information you provide on your admission application and other credentials.

To request a change in your residency classification, obtain a petition at either the Postregistration Service Center or Window 25, 100 Henry Administration Building. You must submit the petition within twenty days of either the first day of instruction or the day you register, whichever is later. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the fall semester. Telephone (217) 333-0210 for further information.

Credit Ranges for Assessment Purposes

Credit for undergraduate and professional course work is counted in semester hours; credit for graduate course work is counted in units. (For tuition and fee assessment purposes, 1 graduate unit is the equivalent of 4 semester hours.) Your credit range is determined by the total number of semester hours and/or graduate units for which you are registered.

*Fee rates for the 1994-95 year have not been determined by the time of publication. The amounts used above are based on 1993-94 rates and are given for informational purposes only; students should anticipate an increase in fees for the fall 1994 semester.

The semester credit ranges approved by the University Board of Trustees are:

Range I:	12 semester hours or more 3 units or more
Range II:	More than 5, fewer than 12 semester hours More than 1.25, fewer than 3 units
Range III:	More than 0 through 5 semester hours More than 0 through 1.25 units
Range IV:	Zero credit only

Tuition Waivers

Tuition will be waived if you are

1. A faculty or academic professional employee (not a graduate assistant) of the University on appointment for at least 25 percent of full-time service, provided your appointment requires service for not less than three-fourths of a term. This waiver also applies if you are an employee of a certain specifically identified related agency whose position is considered equivalent to an academic position of the University. (A *term* is defined as running from the first day of registration through the last day of final examinations. *Three-fourths of a term* is defined as ninety-one days during a semester.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless either the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.
2. A graduate teaching and research assistant of the University on appointment for at least 25 percent but not more than 67 percent of full-time service. Your appointment must require service for not less than three-fourths of the term as defined above. If you are on appointment for 68 percent or more of full-time service, you pay tuition at the resident rate and are eligible for waiver of the service fee only. *(Caution: Assistantship appointments are cumulative; for example, if you hold a 25-percent and a 50-percent assistantship appointment, you are ineligible for a tuition waiver.)* NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless either the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.
3. A University of Illinois faculty, academic professional, or staff retiree.
4. A holder of a tuition waiver scholarship.
5. A holder of a graduate tuition and fee waiver awarded by the Graduate College.
6. A foreign exchange student with a tuition waiver as part of the exchange contract.
7. A holder of a grant or contract from an outside sponsor that provides payments to cover the total cost of instruction.
8. A cooperating teacher or administrator who receives assignment of practice teachers, or who receives assignment of students meeting the clinical experience requirement in teaching education curricula, or who cooperates in research projects related to teacher education. Waiver for one semester, quarter, or summer session is granted for

each semester, quarter, or equivalent of service you render within two consecutive semesters. The waiver shall apply to the semester, quarter, or summer session of registration, as designated by you, that is concurrent with, or following, the term of service, but must be applied no later than one calendar year from the end of the term of service. Concurrent registration on more than one campus of the University or in University extramural courses constitutes one semester, quarter, or session of eligibility for a waiver.

A similar waiver is authorized for cooperating librarians, school-nurse teachers, social welfare field supervisors, recreation field supervisors, health education field supervisors, speech pathology supervisors, developmental child care field supervisors, educational psychology supervisors, continuing education supervisors, industrial relations field supervisors, and physicians who participate without salary in the instructional program of the University of Illinois College of Medicine at Urbana-Champaign. *(Caution: Acceptance of more than one assignment from any of the above listed offices during any single term will generate only one waiver.)*

9. A staff employee of the University, or of another institution or agency under the University Civil Service System, or of a certain specifically identified related agency in status appointment or in an appointment designed to qualify for status in an established class (e.g., trainee or intern) for at least 50 percent of full-time service and who registers in regular University courses not to exceed
   - 6 credit hours or two courses in a semester if on full-time appointment,
   - 4 credit hours if on a 75-percent to 99-percent time appointment, or
   - 3 credit hours if on a 50-percent to 74-percent time appointment,

   provided that you (1) meet conditions and eligibility for admission as prescribed by the Office of Admissions and Records; (2) are not a student as defined under 250.70f3 in the *Civil Service Handbook*; and (3) have the approval of your employing department for enrollment and a makeup schedule to cover any time in course attendance during your regular work schedule. (The waiver of tuition also applies to any additional hours of registration by staff employees that keep them within the same fee assessment credit range. Staff employees whose total registration is in a higher range than that authorized by their tuition waiver pay only the difference between the waiver authorization and the higher range in which their total registration places them.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless either the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.
10. A staff employee in status, learner, trainee, apprentice, or provisional appointments if enrolled in regular courses directly related to your University employment for no more than 10 credit hours per semester, provided you have made application and received prior approval for enrollment as required by procedures issued by the director of personnel services and set forth in *Policy and Rules-Staff*.
11. An Illinois Teacher of the Year award recipient.
12. An eligible Illinois senior citizen. (Persons wanting information and/or the application form for this waiver should contact the Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign, IL 61820, [217] 333-0100.)

Partial Tuition Waiver Program for Children of Eligible Employees

If certain eligibility criteria are met, Illinois Public Act 87-0793 (SB 1353) provides a 50-percent tuition waiver for undergraduate education for children of University employees to attend either University campus. Pending final Board of Trustee approval of rules applicable to these waivers, interim regulations have been formulated and are summarized as follows. Finalized rules and regulations will be available at the offices listed in item 7 below.

1. The waiver can be used only for undergraduate education.
2. The waiver shall cover 50 percent of tuition, not fees.
3. The waiver may be used for four years (including summers), so long as satisfactory academic progress is maintained.
4. The parent must be a regular employee of the University of Illinois with at least seven years of service on the first day of instruction of the term for which the waiver is requested, and be one whose appointment qualifies for employer-provided insurance benefits. Excluded as "parent" are annuitants, employees of University related organizations (i.e., Foundation and Alumni Association), Civil Service temporary and extra help, graduate and undergraduate assistants, and academic hourly and student employees.
5. The child must be under 25 years of age and the child of the eligible employee by blood or adoption; or the legal child of the employee's current spouse; or a child under the court-appointed guardianship of the eligible employee.
6. The child must qualify for admission under the same requirements, standards, and policies applicable to general applications.
7. To apply for the waiver, the employee or child must obtain an eligibility form available at one of the following offices:
   - Office of Admissions and Records, Window 25, 100 Henry Administration Building, 506 South Wright Street, Urbana
   - Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign
   - Benefits Center, Suite 201, 505 East Green Street, Champaign
   - Personnel Services Office, 52 East Gregory, Drive, Champaign

Waiver of Nonresident Portion of Tuition

If you are subject to the payment of tuition, the nonresident portion will be waived if you are

1. An employee on appointment for at least 25 percent of full-time service with the University or with a certain specifically identified related agency, provided the appointment requires services for not less than three-fourths of the term.
2. A faculty member of a state-supported institution of higher education in Illinois holding an appointment of at least one-fourth time, provided the appointment requires service for not less than three-fourths of the term.
3. A teaching and professional staff member in the private and public elementary and secondary schools in Illinois, such as a counselor, a school psychologist, a school social worker, a librarian, or an administrator, who holds such an appointment for at least one-quarter time and for not less than three-fourths of the term.
4. The spouse or dependent child of an employee on appointment with the University or a certain specifically identified related agency for at least 25 percent of full-time service, or of a person described in the second item above. (A dependent child is one who qualifies as a dependent for federal income tax purposes.)
5. The spouse or dependent child of a fellow or a trainee who is employed as a teaching assistant to the fullest extent permitted by the fellowship appointments.
6. A person actively serving in one of the armed forces of the United States who is stationed and present in the state of Illinois in connection with that service and your spouse and any dependent children, as long as you remain stationed, present, and living in this state.

Fees

What Fees Are Charged and How Are They Determined?

The fee schedule is fixed by the University Board of Trustees and is calculated on the basis of the number of semester hours or units of credit for which you are registered.

Fees to be assessed this semester are

General Fee: Supports certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, etc.) on campus.

Service Fee: Supports salaries, programming, general expenses, and utilities for campus auxiliary service units such as the Illini Union, the Assembly Hall, and Campus Recreation. *(Students exempt from this fee because they are registered in Credit Ranges III or IV may obtain its services by paying the fall semester fee at a cashier's window in 100 Henry Administration Building no later than 4 pm Friday, September 23.)*

Health Service Fee: Provides salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center. *(Students exempt from this fee because they are registered in Credit Ranges III or IV may obtain its services by paying the fall semester fee at the McKinley Health Center Business Office no later than 5 pm Friday, September 23.)*

Health Insurance Fee: Covers the cost of premiums to the insurance carrier and the cost of administering the program.

Transportation Fee: Supports a campus and community busing plan for students. *(Students exempt from this fee because they are registered in Credit Ranges III or IV may obtain its services by paying the fall semester fee at the Division of Campus Parking no later than 5 pm Friday, September 23.)*

Krannert Fee: Refundable; supports productions at the Krannert Center for the Performing Arts. (See p. 16 for refund dates.) *(Students exempt from this fee because they are registered in Credit Ranges III or IV may obtain the services by paying the fall semester fee at a cashier's window in 100 Henry Administration Building no later than 4 pm Friday, September 23.)*

SEAL Fee: Refundable; assessed students registered on campus to supplement existing financial aid for needy students. (See p. 16 for refund dates.)

SORF: Refundable; supports the Student Legal Service and to assist in funding programs and/or services of registered student organizations. (See p. 16 for refund dates.)

SGA Fee: Supports the activities of the Student Government Association.

(Students exempt from SEAL, SORF, and SGA fees because they are registered in Credit Ranges III or IV may participate in those services by paying the total fall semester fee at a cashier's window in 100 Henry Administration Building no later than 4 pm Friday, September 23. The charge will cover all three fees; the services may not be purchased separately.)

Instructional Fee: Assessed students in the MBA curriculum to expand and enhance the program.

Flight-Training Fee: Charged each student enrolled in flight-training courses in addition to regular tuition and fee registration charges; based on the nature of each course.

Fee Waivers and Exemptions

SPECIAL NOTICE: It is possible to qualify for a waiver or exemption in more than one fee category (e.g., a student enrolled in Range III may also be exempt from the Health Insurance Fee). Be sure to read this section completely to determine whether you are eligible for any fee waiver or exemption.

FEE EXEMPTIONS FOR STUDENTS ENROLLED IN TUITION RANGES III AND IV

If you are enrolled in Tuition Ranges III or IV (see p. 11), you will be assessed the General Fee and the Health Insurance Fee only. You are **exempt** from all other remaining fees. You may obtain the services provided by the remaining fees by making an individual arrangement with each service provider; see page 16 for the locations and deadlines for making such arrangements.

EXEMPTION FROM THE HEALTH INSURANCE FEE

You are **exempt** from the Health Insurance Fee and not eligible for its benefits and services if you are one of the following:

1. A student presenting a petition and evidence of approved equivalent medical insurance coverage (see p. 17).
2. A person registered for doctoral thesis research in absentia.
3. A person registered in off-campus and/or study-abroad courses for zero credit; however, the fee is required of students in those categories registered for more than zero credit.
4. A University employee registered at the request of your department in zero-credit courses especially established to improve your work performance.
5. A University employee who is registered as a student and who is eligible for and participates in the mandatory State of Illinois Employees Insurance Program.
6. An employee of a specifically identified related agency who is eligible automatically to receive hospital-medical coverage as an employee benefit at the cost of your employing agency.

SEAL, SORF, and SGA

SEAL, SORF, and SGA charges will be **waived** if you are

1. A CIC Visiting Scholar.
2. A University of Illinois at Chicago student in concurrent enrollment.
3. A Department of Children and Family Services dependent.
4. An Illinois Teacher of the Year.

You will be **exempt** from SEAL, SORF, and SGA charges if you are

1. A student enrolled in Credit Range III or IV (see p. 11).
2. A student registered in absentia.
3. A student registered in a study-abroad program.
4. A student registered as a participant in the official high school concurrent enrollment program.
5. A participant in the Enrich program.
6. A student registered in a recognized off-campus program.
7. A faculty member or academic professional employee holding at least a 25-percent time appointment for three-fourths of the semester, as defined in the section on tuition.
8. A staff member holding at least a 50-percent appointment for three-fourths of the semester, as defined in the section on tuition.
9. An employee (as defined in items 7 and 8 above) holding a combined appointment with the University of Illinois at Chicago.
10. An interinstitutional staff member.
11. A cooperating teacher, administrator, or field supervisor, as defined in the section on tuition.
12. A faculty, academic employee, or staff member of a specifically identified related agency.
13. A University of Illinois faculty, academic professional, or staff retiree.

Tuition and Fees Billings and Payments

Important Dates

Sept 9, noon	Payment deadline if registered by September 2
Sept 12, 4 pm	Payment deadline if registered between September 6 and 9
Sept 12 and thereafter	Payment deadline is 4 pm on day of registration

How Much Will I Be Assessed?

To determine your anticipated tuition and fee costs for the semester, match your college and curriculum of enrollment, residency status, and credit range with the dollar amounts given on the chart on pages 10 and 11. Some students are not liable for all charges, so be sure to read the sections on tuition and fee waivers and exemptions beginning on pages 11 and 13.

When Will I Be Billed for Registration Charges?

Billings and payments for all registration charges, plus charges for University-operated housing, occur after the on-campus registration period. Billing is done on a Registration Statement of Charges and Aid that itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made.

The availability of statements and the payment deadline dates are determined by when you register.

If you submit a signed Registration Agreement, clear all encumbrances, and are in good academic standing by the close of on-campus registration on August 23, your Registration Statement of Charges and Aid will be mailed to your "local address" around August 27. Payment will be due by noon Friday, September 9. If your statement does not arrive by September 2, go to the Postregistration Service

Center and request a duplicate. **IT IS YOUR RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY YOUR REGISTRATION CHARGES BY THE DUE DATE WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS.** You may make payment either by U.S. mail, in registration drop boxes, or in person at 100 Henry Administration Building.

If you register at the Postregistration Service Center between August 25 and September 2, you must pick up your statement at the Postregistration Service Center beginning Tuesday, September 6. Payment will be due by noon Friday, September 9. You may make payment either by U.S. mail, in registration drop boxes, or in person at Cashier Windows 1 through 6 in 100 Henry Administration Building.

If you register at the Postregistration Service Center between Tuesday, September 6, and noon Friday, September 9, you must pick up your statement in the east foyer of the Henry Administration Building on Monday, September 12, and make payment at a cashier's window in 100 Henry Administration Building by 4 pm on that same day.

If you register Monday, September 12, or any day thereafter, you must make payment by 4 pm on the day of registration at a cashier's window in 100 Henry Administration Building.

Where Can I Make Payment?

If your payment deadline is noon Friday, September 9, you may use either U.S. mail or registration drop boxes **(not campus mail boxes)** to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

Special registration drop boxes for payment of registration charges will be available until noon Friday, September 9, at the following locations:

- Florida Avenue Residence Halls—main entrance to Trelease Hall
- Gregory Drive Snack Bar—south entrance
- Henry Administration Building—east and west entrances
- Main Library—central corridor
- Illini Union—southwest entrance

Can I Pay by Installment?

An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. This privilege is not extended to registration in extramural, correspondence, and summer Term I courses, or to students to whom the privilege has been denied.

Charges for the semester are collected in three installments, the first payable by the due date shown on the original statement, and the remaining installments payable in October and November.

A one-time finance charge of 1 percent of the total amount deferred, or $2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

If you either pay your registration charges on the installment plan or make no payment at all, and then later either withdraw from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

Some Dos and Don'ts about Payments

DO use the special registration drop boxes to return your payment.
DON'T use campus mail boxes to return your payment.
DO allow five days for delivery if you remit by U.S. mail.
DON'T send cash either through the mail or via the drop boxes.
DO pay at a cashier's window in 100 Henry Administration Building if you must pay in cash; windows are open 9 am-4 pm weekdays, excluding holidays.

What If I Don't Make Payment by the Due Date?

The due date for payment either in full or by installment is printed on your statement. If you do not make full or first installment payment by the scheduled due date shown on the statement, you will be assessed a $25 (amount subject to change) registration late-payment charge that will be billed to your student account.

A delinquent service charge of 1.5 percent or $2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness, or all such indebtedness has been discharged.

Special Warnings about Payments

A penalty of $15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiering because of insufficient funds or for other reasons. Check-cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

Additional penalties, INCLUDING DISMISSAL FROM THE UNIVERSITY, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

Refunds

You may be released from your obligation to pay part or all of fall semester tuition and fees by either

- canceling your registration, or
- withdrawing from the University, or
- reducing your program range.

In addition, you may file for refund of certain fees (see p. 16).

Canceling Your Registration

Before classes begin, you may cancel your registration and be relieved of all tuition and fee charges by either

- not returning a signed Registration Agreement by 5 pm Tuesday, August 23, or
- if you returned a signed Registration Agreement, submitting a request for cancellation of registration to the Office of Admissions and Records for receipt no later than 5 pm Tuesday, August 23. Requests by mail should be addressed to Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801. Requests in person should be made at Window 25, 100 Henry Administration Building, by 4 pm Tuesday, August 23.

You can still cancel your registration between the close of on-campus registration and 4 pm Thursday, August 25, the first day of instruction for the semester, provided

- you have neither attended any classes nor received any related student services, and
- you deposit a completed clearance form at Window 25, 100 Henry Administration Building, by 4 pm Thursday, August 25. The clearance form should be obtained from the office of the dean of your college.

If you cancel your registration, you still may receive a Registration Statement of Charges and Aid.

If you either attend a class or use campus services and then wish to leave the University, you must officially withdraw.

Withdrawal from the University

TO WITHDRAW, YOU MUST FOLLOW ESTABLISHED WITHDRAWAL PROCEDURES BEGINNING WITH COMPLETION OF A CLEARANCE FORM AVAILABLE FROM THE OFFICE OF THE DEAN OF YOUR COLLEGE.

WITHDRAWAL FROM THE UNIVERSITY: ALL STUDENTS EXCEPT FIRST-TIME FRESHMEN RECEIVING FEDERAL FINANCIAL ASSISTANCE

To obtain a partial refund of fall semester registration charges, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, no later than 4 pm Friday, September 9. No refund is available thereafter.[1]

If you are enrolled in a second half-term course only and wish to withdraw, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, no later than 4 pm Wednesday, October 26. No refund is available thereafter.[1]

If you officially withdraw within a refund period, you will be charged either the sum (rounded, if necessary, to the next even, higher dollar) of

- 50 percent of the Service Fee, plus
- 50 percent of the General Fee, plus
- 100 percent of the Transportation Fee, plus
- 100 percent of the Health Service Fee, plus
- 100 percent of the Health Insurance Fee, or
- $30,

whichever is greater.

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if these fees were paid) until the first day of the 1995 spring semester. Use of intramural-physical education facilities and the bus services provided by payment of the Service and Transportation Fees is also permitted. If you are exempt from any of the above fees, the nonrefundable charge will be reduced by the proper amount.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University after the refund deadline of 4 pm Friday, September 9 (4 pm Wednesday, October 26, if enrolled in a second-half-session course only), you are liable for the full amount of tuition and fees originally assessed.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

WITHDRAWAL FROM THE UNIVERSITY: FIRST-TIME FRESHMEN RECEIVING FEDERAL FINANCIAL ASSISTANCE

(Contact the Registration Services Office to determine eligibility.)

To obtain a refund commensurate with the date of withdrawal of fall semester tuition, Service Fee, General Fee, and Transportation Fee registration charges, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building. See below for the refund schedule. Students indebted to the University at the time of withdrawal will have the amount owed deducted from the amount of any refund available. *Withdrawing students will not receive refunds of the Student Insurance, Student Health Service, Krannert, SEAL, SORF, and SGA fees*, and will be eligible to receive the benefits of these fees through the end of the semester. Likewise exempt are additional fees charged for courses where students have received tangible items for the course.

If you are enrolled in a second-half-session course only and wish to withdraw, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, in accord with the refund schedule.[1]

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University after the final refund deadline, you are liable for the full amount of tuition and fees originally assessed.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

WITHDRAWAL REFUND SCHEDULE: FIRST-TIME FRESHMEN RECEIVING FEDERAL FINANCIAL ASSISTANCE

If you have been charged tuition and fees for the fall semester and, for reasons other than active military or other approved national defense service, officially withdraw from the University, you are entitled to a prorated refund of tuition, Service Fee, General Fee, and Transportation Fee charges, based on the week of the semester during which you withdraw.

1. Students officially withdrawing before completion of Week 2 in the semester (4 pm September 7) receive a 100% refund of tuition and applicable fee charges.
2. Students officially withdrawing before completion of Week 3 in the semester (4 pm September 14) receive an 80% refund of tuition and applicable fee charges.
3. Students officially withdrawing before completion of Week 4 in the semester (4 pm September 21) receive a 70% refund of tuition and applicable fee charges.
4. Students officially withdrawing before completion of Week 6 in the semester (4 pm October 5) receive a 60% refund of tuition and applicable fee charges.
5. Students officially withdrawing before completion of Week 8 in the semester (4 pm October 19) receive a 50% refund of tuition and applicable fee charges.
6. Students officially withdrawing before completion of Week 10 in the semester (4 pm November 2) receive a 40% refund of tuition and applicable fee charges.
7. Students who either fail to withdraw officially or who withdraw following completion of Week 10 in a semester are responsible for payment of all tuition and fee charges billed.

For University academic terms of other lengths, refund periods are determined proportionally in accordance with the above principles.

Refunds for Reduction of Program Range: All Students

If you reduce your registration to a lower assessment range (e.g., from Range I to Range II), you receive a refund of the full difference between the two ranges, provided the change is made by the announced deadline of 5 pm Friday, September 9. No refund is available thereafter.[1]

If you reduce your registration to a lower assessment range (e.g., from Range I to Range II) by dropping a second-half-session course only, you receive a refund of the full difference between the two ranges, provided the change is made by the announced deadline of 5 pm Wednesday, October 26. No refund is available thereafter.[1]

In all cases, a student who is enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline; see above.

Refund of Visitor Charges

A person registered as a visitor (see p. 9) who desires to withdraw receives a full refund of the visitor's fee, if originally charged, provided he or she makes a personal request for a refund at Window 25, 100 Henry Administration Building, within the official semester refund period. No refund is available thereafter.[1]

Refunds of Special Fees: All Students

Flight-Training Fee. If you withdraw from a flight-training course by 4 pm Friday, September 9, you receive a full refund of the flight-training fee for that course. No refund is available thereafter.[1]

Krannert Fee. Refund of this fee is available at the Office of Student Accounts and Cashiering, 100 Henry Administration Building, from Monday, September 19, through 4 pm Friday, September 23. No refund is available thereafter.[1]

SORF. Refund of this fee is available at the Office of Student Accounts and Cashiering, 100 Henry Administration Building, from Monday, September 26, through 4 pm Friday, September 30. No refund is available thereafter.[1]

SEAL Fee. Refund of this fee is available at the Office of Student Accounts and Cashiering, 100 Henry Administration Building, from Monday, October 3, through 4 pm Friday, October 7. No refund is available thereafter.[1]

[1] In a case of extenuating circumstances, such as medically documented serious illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student. Petition forms are available at Window 25, 100 Henry Administration Building.

Student Health Insurance Program

The University Board of Trustees requires all students to be covered by health insurance, either through a program provided by the University or by one determined to be equivalent to that offered by the University. Consequently, with the exception of those exempted by policy (see p. 13), all students are subject to the Health Insurance Fee to cover the cost of the mandatory University Student Comprehensive Health Insurance Program.

You can become exempt from this fee if you present evidence of equivalent insurance coverage along with a petition for exemption from the insurance fee. **YOU MUST REQUEST EXEMPTION IN PERSON.** Evidence of equivalent insurance may be established by either your insurance policy or an identification card with a brochure outlining the program's benefits. (Military personnel and their dependents need show only their military identification cards.) Letters from employers, insurance companies, or agents will be accepted, provided they are on company letterhead and are signed by a company official giving the name of the insurance company and defining the scope of your insurance coverage. To qualify for an exemption, you must present satisfactory evidence of insurance and complete an exemption petition in person at one of the following locations:

- The Insurance Station at the Armory during on-campus registration, or
- The Insurance Station at the Postregistration Service Center, Illini Union, Rooms B and C, or
- The Student Insurance Office, Room 228, 505 East Green Street, Champaign, following the postregistration period.

Requests for exemption beginning with the 1994 fall semester must be made IN PERSON by 4 pm Friday, September 9. An exemption will continue in effect until such time as the student requests reinstatement to the plan or does not respond to a periodic request to confirm that he or she continues to be covered by another health insurance plan.

Students who lose their other insurance may apply for reinstatement to the Student Health Insurance Plan. Enrollment is guaranteed if reinstatement is requested within 31 days of the loss of other insurance and a notice of such coverage termination from the insurance company or employer is provided. Reinstatement requests received more than 31 days following the termination of other coverage will be subject to approval of a statement of medical history, and a 120-day preexisting condition limitation will be applicable. There is no proration of premium for partial semester coverage. Telephone (217) 333-0165 with questions about insurance.

Items mailed to the Student Insurance Office or included in payments made by mail will be returned to you without action. Such items must be resubmitted by you **IN PERSON** by the stated deadline.

If you are married you may purchase insurance for your spouse and/or children by making application and paying an additional premium in person at one of the insurance stations listed above by no later than 4 pm Friday, September 9.

A brochure explaining the insurance benefits and possible coverage during terms in which you may not be enrolled is available from the Student Insurance Office, Room 228, 505 East Green Street, Champaign, IL 61820. For further information see the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*.

FALL SEMESTER 1994 NONCOMBINED FINAL EXAMINATION SCHEDULE

DECEMBER 12 THROUGH DECEMBER 17, 1994[1]

This schedule (see p. 18) does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

A combined-sections final examination schedule (for giving examinations to several sections of a course at the same time) appears late in the semester in the *Daily Illini*. Detailed information governing final examinations is contained in *Instructions for Giving Final Examinations*, issued in November by the Office of Admissions and Records and available for inspection at all departmental offices and libraries.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. An individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.**

A request for change in the examination schedule will not be considered for approval unless the instructor

- has polled the class to determine that an alternative date is desired by a majority of the class members, and
- also offers the examination at the regularly scheduled time if some choose not to take it at the alternate time, and
- has contacted the Office of Facility Planning and Management (333-1233) and has assurance that space is available in which to give the examination at an alternate time if approved. The Office of Facility Planning and Management will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:
Undergraduate Students: Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination in an individual case of an undergraduate student.

Graduate Students: A student's instructor is authorized to approve a request for postponement of the final examination in an individual case of a graduate student.

Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the cases of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

Take-Home Examination

If a take-home final examination is assigned, it is to be submitted by the student at the time and date of the regularly scheduled final examination. An instructor who wishes to depart from this practice must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

[1] An examination for a first-half-session course should be scheduled at the end of the first-half-session period. If such an examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office of Facility Planning and Management, 333-1233.

4 pm or later	Tuesday	7-10 pm, Tuesday, Dec 13

THE FINAL EXAMINATION FOR A COURSE IS SCHEDULED ACCORDING TO THE FULL OR HALF-HOUR ON MONDAY OR TUESDAY ON WHICH THE CLASS FIRST MEETS REGULARLY DURING THE SEMESTER. For example, if a course meets regularly at 10 am on MWF, the examination period is from 8 to 11 am Monday, December 12. The final examination period for a course meeting regularly from 2:30 to 4 pm on TuTh is from 1:30 to 4:30 pm Wednesday, December 14.

In a course having a combination of lecture and discussion and/or laboratory periods, the first lecture hour of the week is considered the first contact of the week for purposes of determining examination time. Call 333-1233 with questions concerning this matter.

For a course not provided for in the examination schedule (one meeting for the first time on Wednesday or later), an examination is to be given within the established examination schedule at the discretion of the instructor and at a time that will avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

Any College of Education course at the 300- or 400-level meeting once a week must have a final examination on the same day and time that the class regularly meets. The Office of Facility Planning and Management will make room assignments for such courses.

Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

Conflicts

- Certain professional examinations (e.g., national actuarial, state CPA, and the Architect Registration Examination) take priority over campus final examinations. An instructor must offer a "conflict" examination to a student scheduled to take one of these examinations and a campus final examination at the same time.
- Noncombined examinations have precedence over combined-sections and conflict examinations.
- Combined-sections examinations have precedence over conflict examinations.
- As between courses offered at the same time on the combined-sections final examination schedule, a priority system has been established, with courses in Group (1) having precedence over those in Group (2), and so forth. Conflicts within groups must be resolved by the departments involved.
- A conflict not resolved by the above order of preference must be resolved by the instructor of the course having the larger enrollment offering a makeup examination, provided he or she is informed of the conflict by the student no later than the last official day of instruction in the semester (December 9).
- Departments offering combined-sections examinations must provide conflict examinations if needed.

A detailed combined-sections and conflict final examination schedule, including all regulations governing conflicts, will be published by the Office of Admissions and Records late in the semester.

Students Having More Than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8 am and 1:30 pm on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8 am the following day.

Similarly, if you have a final examination at 7 pm one day and another at 8 am the next day, you cannot be required to take an examination at 1:30 pm that second day; you can, however, be required to take an examination at 7 pm of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided you take the following actions *no later than the last official day of classes in the semester (December 9):*

- You must investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)
- If a conflict examination has been scheduled for any of the courses, you must take one or more of these conflict examinations.
- If no conflict examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor MUST provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of classes.

Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.*

STUDENT REGULATIONS

Student Responsibility

As an enrolled student, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

It is expected that you will conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

Summaries of some basic regulations are given below, but you are advised to refer to the complete texts found in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.* That publication is available for inspection at college and departmental offices and libraries, and may be obtained at the Illini Union Information Desk, the Student Organizational Complex, 280 Illini Union, the lobby of the Turner Student Services Building, and Window 25, 100 Henry Administration Building.

Academic Integrity

If you engage in an act of academic dishonesty, you become liable to severe disciplinary action. Such acts include cheating; falsification or invention of any information or citation in an academic endeavor; helping or attempting to help others commit academic infractions; plagiarism; offering bribes, favors, or threats; academic interference; computer-related infractions; and failure to comply with research regulations.

Rule 31 of the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students* gives complete details of rules governing the academic integrity system. You are responsible for knowing and abiding by these rules.

Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her own ID card to be used by another may be subject to discipline. A charge of $20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, gymnasium supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent himself or herself as a duly registered student, or if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student.

Questions regarding the issuance and use of ID cards may be directed to the Campus ID Center, 244-0135.

Falsification of Documents

If you, for purposes of fraud or misrepresentation, falsify, forge, deface, alter, or mutilate in any manner any official University document or representation thereof, you may be subject to discipline. Some examples of official documents are identification cards, program requests, receipts, transcripts of credits, library documents, and petitions for reclassification of residency status.

If you, as an applicant, withheld information pertinent to the admissions decision or gave false information while making application for admission or readmission to the University of Illinois at Urbana-Champaign, you will be declared ineligible for admission to the University; if this is discovered after admission has occurred, but before initial registration, your admission will be canceled.

If the falsification led to admission that would not have been granted on the basis of your academic record, the appropriate action will be invoked by the college involved and your registration will be cancelled. If you contest your admission or registration cancellation in writing within ten working days after notification, your case will be reviewed by the vice-chancellor for academic affairs or his designee.

If you would have been admitted on the basis of your true record, your case will be referred to the Senate Committee on Student Discipline for possible disciplinary action, including dismissal.

You may be subject to discipline if you knowingly withhold information or give false information in any document or material submitted to any member or agent of the University.

Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report form with their Notice of (Re)Admission packet. Students who fail to return the form by the date shown will have their Registration Statements of Charges and Aid encumbered for the fall semester; before being allowed to complete registration, they must report to the Postregistration Service Center to receive instructions for compliance with state law. New and readmitted students who fail to comply with state law before the start of spring semester 1994 are prohibited *by law* from enrolling in that or any subsequent term.

Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his or her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	**Undergraduates**	**Graduate Students**
Fall and Spring Semesters	12 or more hours	3 or more units
Half-time Students:		
Fall and Spring Semesters	6 to 11.5 hours	1.5 to 2.75 units
Class Level:		
Freshmen	0 to 29.9 hours	
Sophomores	30 to 59.9 hours	
Juniors	60 to 89.9 hours	
Seniors	90 hours and above	

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

Repeated Undergraduate Courses

A student permitted by the dean of his or her college to repeat a subject for which the student has received credit either by class work at the University or by advanced standing previously allowed for work done elsewhere forfeits the original credit. The original credit earned in a course is not forfeited by registration unless the student remains registered in the repeated course to the end of the semester, term, or summer session.

Failure to pass the repeated course does not restore the original credit, but both grades count in the graduation average if the course is one regularly acceptable toward the student's degree. If the course is again repeated, all grades received, passed or failed, are counted in the graduation average.

Credit-No Credit Policy

The credit-no credit grading option at this campus is designed to encourage exploration into areas of academic interest that students might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than those whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D, E, or Ab.

ALL STUDENTS

- Credit-no credit courses are not counted toward the grade-point average but are included as part of the total credit hours.
- Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC.
- Grades of C or better are required to earn credit.
- Final grades of CR or NC (for credit or no credit) are recorded on the student's permanent academic record and subsequently will not be changed to letter grades.
- A correspondence course student may elect the credit-no credit option before completion of one-eighth of the lessons contained in the course; however, should the student desire to return to the letter-grade option, an amended credit-no credit form must be filed before completion of one-half of the lessons.
- Courses taken under the credit-no credit option, either in residence or in correspondence, may be dropped only in accordance with the normal procedures for dropping courses.

UNDERGRADUATE STUDENTS

- Any undergraduate student in good academic standing (but not on probation) may elect the credit-no credit system. Students not in residence, but enrolling in correspondence courses, may elect the credit-no credit option, provided they are in good academic standing (but not on probation).
- To elect the credit-no credit option, a student must obtain the approval of his or her adviser or, in the case of a correspondence course, the adviser or college office.
- A student who goes on probation after enrolling must change his or her program to eliminate the credit-no credit option.
- A maximum of 18 semester hours earned under the credit-no credit option may be applied toward a degree at the Urbana-Champaign campus of the University. A correspondence course taken on a credit-no credit basis will be included in the 18 semester-hour maximum credit-no credit limit allowed. A full-time student may take a maximum of two courses each semester under the credit-no credit option. A part-time student may take one course each semester under this option.
- Any lower- or upper-division course may be chosen under the credit-no credit option except courses used to satisfy the University's general education requirements, courses designated by name or area by the major department for satisfying the major or field of concentration, or those specifically required by name by the college for graduation.
- In cases of subsequent change of major or field of concentration, courses previously taken under the credit-no credit option in the new field may qualify for meeting major requirements.
- For a course taken in residence undergraduate students must exercise the credit-no credit option during on-campus registration, within the first eight weeks of instruction in a semester, or during the first four weeks of an eight-week course taught in a semester. A student may elect to return to the regular-grade option by filing an amended request within the first eight weeks of instruction in a semester or within the first four weeks of instruction in an eight-week course taught during a semester (see p. 3). The credit-no credit option form must be properly approved and deposited in the college office.

PROFESSIONAL STUDENTS

Students in the Colleges of Law and Veterinary Medicine may elect the credit-no credit option in undergraduate courses not required as part of the professional curriculum.

Professional students may elect the credit-no credit option during advance enrollment, during on-campus registration, within the first eight weeks of a semester course, or within the first four weeks of an eight-week course taught during the semester. A student may elect to return to the regular-grade basis by filing an amended request within the first eight weeks of a semester course or within the first four weeks of an eight-week course taught during the semester. The credit-no credit option form must be properly approved and deposited in the college office.

GRADUATE STUDENTS

Graduate students may elect the credit-no credit option either during on-campus registration or through the last day allowed for dropping a course without academic penalty. A student may elect to return to the regular-grade basis by filing an amended request by the deadline date for dropping a course without academic penalty as indicated in the academic calendar. The credit-no credit option form must be properly approved and deposited in the college office.

The student's adviser must approve the election of this option in accordance with the policy established by the major department. Over the course of a degree program, a student must earn at least 2 units of graded (A-D) course work for each unit of credit-no credit course work. In any one semester, a student may take no more than one unit on a credit-no credit basis.

Units transferred from another university cannot be used as part of the "graded course work."

If a student is admitted on a limited basis, or if a student falls below the Graduate College minimum grade-point average of 3.75 (or below the departmental minimum grade-point average) and is placed on a limited basis, he or she will not be allowed to register for credit-no credit course work for units until the grade-point average has been raised to the minimum and the limited status designation has been removed.

Withdrawal from the University

A student who leaves the University during a semester must officially withdraw from the University by filing a clearance paper obtained at the college office; otherwise, the courses he or she is pursuing will appear on the student's record as Ab (absent—counts as failure). (A student enrolled in only one course who later drops that course must officially withdraw from the University.) Students who withdraw must apply if they wish to be readmitted.

Upon notification that the University discipline system has initiated action against a student, that student may not officially withdraw until the case hearing has been conducted by the appropriate disciplinary committee.

In addition to applying for readmission, an undergraduate student who withdraws from the University within the last three weeks of instruction in a semester, or whose status cannot be determined because of excused grades, may register again only on petition approved by the dean of the college. (See p. 3.)

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he or she has completed an exit interview with the Office of Student Accounts and Cashiering, 162 Henry Administration Building. The charge for an official transcript is $5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is $4 per copy. *The charge for additional copies ordered at the same time and sent to the same address or picked up is $2 per copy.*

Transcripts may not be ordered by telephone. They may be ordered at the Registration Services Office, Window 25, 100 Henry Administration Building, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801. A check or money order made payable to University of Illinois must accompany the order.

Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. Guidelines and regulations for discharge of the University's obligation under this act are contained in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students.*

Under these guidelines,

- a student has the right to inspect his or her educational record;
- the University may release without the student's consent information that appears in student directories and publications that are available to the public, except when requested by a currently enrolled student to suppress this information until the first day of classes of the following semester. Directory information includes the student's name; addresses; telephone numbers; college, curriculum, and major field of study; class level; date of birth; dates of attendance and full- or part-time status; eligibility for membership in registered University honoraries; degrees, honors, and certificates received or anticipated; weight and height if he or she is an athletic team member; participation in officially recognized activities and sports; and institution previously attended. A form for suppressing this information is available at Station 1A in the Armory during on-campus registration and at Window 25, 100 Henry Administration Building, during late registration. The form must be completed and filed either at on-campus registration or before the sixth day of instruction (see p. 3);
- certain student records may be released only with the prior consent of the student;
- certain student records can be released with or without the student's consent;
- parents may be granted access to a student's record with or without the student's consent under certain conditions;
- procedures exist for students to challenge the contents of their educational records.

Addresses of Students

Each student is responsible for maintaining in the Office of Admissions and Records the following current addresses:

- His or her local address (for local mailings).
- His or her permanent address or permanent mailing address.
- The address of his or her parent(s), guardian, or spouse.

Each address must be reported each term. All changes must be reported immediately to the Registration Services Office, Window 25, 100 Henry Administration Building.

EMERGENCY SHORT-TERM AND INTERMEDIATE LOANS

In emergencies, University students who have completed all steps in the registration process, including payment of tuition and fees, may be eligible to negotiate short-term or intermediate loans. For information, students who are U.S. citizens should go to 400 Turner Student Services Building; international students should go to 510 East Daniel Street, Champaign.

STUDENT/CONSUMER INFORMATION

The University of Illinois at Urbana-Champaign has student/consumer information available at the following campus locations:

NONDISCRIMINATION STATEMENT

The commitment of the University to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms.

It is the policy of the University of Illinois not to engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in the University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

For additional information on the equal opportunity, affirmative action, and harassment policies of the University, please contact: Joseph H. Smith, Associate Chancellor and Director of Affirmative Action (Title IX , ADA, and 504 coordinator), Swanlund Administration Building (MC-304), 601 East John Street, Champaign, IL 61820 (217) 333-0885.

HOW COURSES ARE LISTED

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed for freshmen and sophomores) are numbered 100 to 199; for advanced undergraduates (designed for juniors and seniors), 200 to 299; for advanced undergraduates and graduates (junior, senior, or graduate standing required), 300 to 399; for graduates, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, "8-10 MWF" indicates that class periods begin at 8 am and continue for approximately two hours on Monday, Wednesday, and Friday; "11 TuTh" means that class periods begin at 11 am and continue for fifty minutes on Tuesday and Thursday. Any class beginning after 6 pm is indicated by the letters PM. For example, "730-930PM" indicates that the class period begins at 7:30 pm and continues until approximately 9:30 pm.

Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found on page 24.

Credit

Credit for undergraduate students is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate students is counted in units. A 1-unit course requires ten hours of time each week throughout a semester, irrespective of the distribution of that time in class work, laboratory work or fieldwork, and private study. Four such courses or their equivalent constitute a student's normal program for one semester. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or its supplement. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 1/2 to 2 units; in registering for a course with variable credit, each student indicates the number of hours or units for which he or she intends to take the course on the Program Request form.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Approval of the Graduate College must be obtained for the registration of undergraduate students in 400-level courses for semester hour or unit credit.

Evening Courses (4 pm and later)

The following list of evening courses is substantially correct; however, some errors and omissions might exist. Please refer to the main body of the *Timetable* and to the supplement for current information.

University of Illinois Bicycle Guidelines

OPERATION OF BICYCLES

Any bicycle that is operated or parked on campus **must** be registered with the Division of Campus Parking and must be operated at all times in accordance with the current *University Bicycle Code.* There is no fee for this registration. Bring the following items and information to the office at 505 East Green:

- Bicycle's serial number
- The type of bicycle (make, model, and color)
- Your social security number and a photo ID

A complete copy of the regulations can be obtained from the Division of Campus Parking. A partial list of the regulations follows.

- Bicycles on campus must be registered.
- Most current bicycle registration is for an indefinite period, and registration renewal is not required unless the registration sticker becomes unreadable or there is a change in ownership. Any bicycle displaying a registration sticker that has an expiration date must be reregistered. A replacement should be obtained from the Division of Campus Parking if a registration sticker becomes damaged.
- Each bicycle must be equipped with an audible warning device, brake, and lights.
- Every person operating a bicycle must do so in obedience to traffic control devices and rules of the road applicable to motor vehicles under Illinois state law and to regulations included in the *University Bicycle Code.*
- Bicycles should be ridden *only* on bicycle paths or—where there are no paths—on streets. They SHOULD NEVER be ridden on sidewalks.
- Whenever a bicycle crosses a pathway used for pedestrian travel, the operator of the bicycle must yield the right-of-way to pedestrians.

BICYCLE PARKING

Bicycles can be parked on campus only in an area that has a "Bicycle Parking Area" sign or that has bicycle racks. Lack of available space within a specific bicycle parking area is not a valid reason for violating this regulation.

Within any bicycle parking area, a bicycle must be parked in a manner that obstructs only one of the positions provided by the bicycle rack.

Within a bicycle parking area, parking that obstructs entrance or exit is prohibited.

No person should leave a bicycle unattended without first locking it securely to a bicycle rack.

IMPOUNDING BICYCLES

A bicycle can be impounded if it is parked in an unauthorized place or manner, if it is not properly registered, or if it appears to have been abandoned.

When a bicycle is impounded, notice is sent within fifteen days to its registered owner at the address given on the latest registration form on file with the Division of Campus Parking.

Any impounded bicycle that is not redeemed within thirty days after notice is considered abandoned and will be disposed of by the University.

FURTHER INFORMATION

This map was produced as an aid to bicyclists. The user must realize that potential hazards exist along the routes. The University of Illinois does not warranty the safety or fitness of the suggested routes and is not responsible for your safety. You are strongly encouraged to follow the safety laws as outlined in the *University Bicycle Code.*
